1,422,85 NEW MOTOR LAW DRAWA

1,420.83 BROTHERHOOD TO SUBMIT BILL TO LEGISLATURE. ,009.25 Measure Proposed Would Compel

Drivers to Make Full Stop at Rall Crossings. 32.50

SALEM, Or., Jan. 7.— (Special.)—
Passage of a bill prepared by the Oregon legislative board of the Brotherhood of Locomotive Engineers at the
next session of the legislature would
require all drivers of motor vehicles
on the public roads, outside of municipal corporations, which cross rallroad tracks, to bring their machines
to a full stop not less than 12 feet
from the rail nearest the car approaching the railroad track. After
bringing their machines to a stop it
then would be incumbent upon the
driver to look in both directions and
listen for a train before attempting CHIROPODISTS.
FEET HUNT Come to Dr. Gartner, foot specialist; corns, bunions, foot arches made to order 311 Swelland bldg., Fifth and Washington Main 1081.

CHIROPODISTS — ARCH SPECIALISTS. listen for a train before attempting to cross the track.

to cross the track.

Under the proposed law drivers of motor vehicles who fail to stop their machines and comply with the other provisions of the act would be subject to fine and imprisonment in the county jail.

The bill is said to have the indorse-

ment of every locomotive engineer in Oregon, and will be submitted for consideration of the legislature early in the session, which opens Monday, A copy of the bill, together with a ment of every locomolive engineer in Oregon, and will be submitted for consideration of the legislature early in the session, which opens Monday, A copy of the bill, together with a request for a statement regarding the attitude of the public service commissioner, was received here today.

"This commission fully recognizes the hazards of grade crossings and, as you are probably aware, has for several years made every offort to minimize these dangers," said the commission's letter acknowledging receipt of the bill.

"A campaign of education has been carried on and a pamplate containing a warning to motor yehicle drivers forwarded to every automobile owner in the state. Constant effort bas been made to improve highway conditions at grade crossings by replanking and graveling. Crossing eliminations have been made where feasible and applications.

graveling. Crossing eliminations have been made where feasible and applications for grade crossings have been most carefully scrutinized. "However, notwithstanding the ef-
