RITCHIE TO HAVE CHARGE

Matchmaking for 4-Round Fights Will Be in Charge of Member of Legion Post.

BY HARRY B. SMITH.

SAN FRANCISCO, Jan. 20.—(Special.)—Matchmaking for the new brand of four-round fights to be inaugurated under the auspices of the American Legion will be handled by Willie Ritchie, himself a member of this post.

The ex-lightweight champion of the world and one-time four-rounder of the world accepted the job today only at the insistence of the executive committee which declared it stood in need of his advice.

There was another conference with Chief of Police O'Brien, at which time the legionnaires definitely announced their intention of going ahead with the plan.

Ritchie said he had accepted the post to help out the legion, though he realized the responsibility and the work that will be thrust upon him.

It is possible the first show will not be given until January 23. Ritchie has counseled less haste. He realizes the necessity of try-outs to get men. The first of these try-outs will be held tomorrow night.

WASHINGTON STATE TRAINING SUPERINTENDENT RESIGNS.

Public Mass Meeting at Chehalis Protests Action of State Board of Control.

CHEHALIS, Wash., Jan. 20.—(Special.)—Thomas P. Horn, who for the past three years has served as superintendent of the State Training school for boys at Chehalis, yesterday tendered his resignation to the state board of control upon request of the latter.

The change will be made the first of the month. Just who will be named his successor is not known, but intimations are that two men are being considered for the place, Clarence E. Maynard, who is secretary of the board of control, and Schiff, Governor Horn's private secretary.

Citizens of Chehalis at a big meeting held at the Elks club rooms made a public protest against the summary removal of Mr. Horn.

J. E. Leonard presided and interest in the meeting was intense. Chairman Leonard was authorized to name a committee of 11 to go to Olympia to voice to Governor Hart the local protest.

Superior Judge Reynolds, City Superintendent Cook and C. Ellington, editor of the Bee-Nugget, were named a committee to prepare suitable resolutions commending Superintendent Horn's conduct of the school and voicing the sentiment of the meeting against his removal.

Vale Man Tells of Killing and Burial Later. Case of George W. Howard, Alleged Murderer of George Sweeney, Goes to Jury.

VALE, Or., Jan. 20.—(Special.)—The case of George W. Howard, charged with the murder of George Sweeney, went to the jury in the circuit court here tonight after Howard on the witness stand had again told how he slew Sweeney, sunk his body in the Owyhee river and later raised it and buried it in a field nearby, whence it was recovered later.

There was one discrepancy between the story told by the 21-year-old slayer on the witness stand and that which he told when first arrested. Then he said he had slain Sweeney in the vicinity of the school and that Sweeney was slain without premeditation.

Details of Howard's movements following the murder; of his driving about the country with Sweeney's body in the car and taking members of his family riding while a trunk containing the victim's body was in the tonneau, were again related.
