

LENINE'S BLOOD CRY
ROCKING SOCIALISM

Hammer of Red Revolution
Brings Party to Crisis.

15 NATIONS COURT SPLIT

Russian Extremist Demands Mod-
erates Be Ousted, Armies Under-
mined, All Law Be Defied.

NEW YORK, Jan. 24.—Nicolai Len-
in's ultimatum to the socialists of
the world, given them the "21 con-
ditions" to which they must sub-
scribe before they can be received
into the third or communist interna-
tionale of Moscow, has met with a
widespread, if in many cases nega-
tive, response. It indicates a decided
split in the ranks of the socialist
party in many countries, judging by
reports from abroad.

In the 15 nations where such opin-
ions have been expressed, four have
been unqualifiedly against entering
the third internationale, one is un-
decided, three are divided and seven
in favor are opposed by determined
minorities.

Lenine demanded, among other
things, that socialist organizations
must purge themselves of all mod-
erates, defy all national laws under-
mine armies, gain control of the press,
throw off the allied "yoke," promote
a world economic crisis, condemn any
league of nations, aid the soviet gov-
ernment and abandon for the blood
and fire of "red revolution" all con-
servative social democratic pro-
grams.

World Differs in Action.
Action on the bolshevik dictator's
terms has been taken as follows:

United States—National executive
committee of socialist party in refus-
ing to receive and affiliate with:
"We concede to the Russian comrades
the right to formulate their own in-
ternal policies without interference
from any other section of the work-
ing-class movement of the world.
What we concede to them we wish
for ourselves. Every resolution adopt-
ed by our party implies or takes this
right for the American movement."

England—Leaders of British labor
party and trades union congress, in
appeal to socialist and communis-
t parties of world, urged efforts to "re-
constitute the internationale on a
non-sectional basis."

Italy—Executive committee of Italian
socialist party voted to adhere to
international principles and appealed
to Lenine for approval of the Moscow
organization, but they must first elimi-
nate the reformist or conservative
element. At the convention of the Italian
socialist party at Leghorn last week,
however, the motion for affiliation with
the Moscow organization was de-
feated by a large majority.

Germany—Independent socialists, at
a conference in Halle in October, vot-
ed to adhere to the third internation-
ale program, but being 237 to 116,
"Great disorder marked the ses-
sion and a number of delegates bolted
the conference. A month previously
independent socialists had voted in
Berlin to go on record against bol-
shevism."

France—Socialists split into three
factions, the majority, however, in
Tours on December 29, at which a
motion by the left wing to join the
third internationale without reserva-
tions received a vote of 1,000 to 100,
a large majority. The center and
right groups oppose the elimination
of conservative leaders.

Spain—Socialist congress voted in
favor of the bolshevik programme
last June, but no definite action was
taken until September, when Mar-
celino Domingo, president of the
congress, pledged adherence to Lenine
and his rule of the proletariat.

Switzerland—Executive committee
of the Swiss socialist party, in re-
fusal to adhere to the Lenine pro-
gramme, the party approved the com-
mittee's stand, but a split followed over
the question of joining the third in-
ternationale.

Chile Registers Approval.
Chile—A socialist party referendum
resulted in majority of socialists re-
jecting their approval of the Moscow
dictatorship, but a small minority
opposes adherence to Lenine.

Argentina—Delegates to the nation-
al socialist congress in Buenos Aires
on January 19, by a vote in the ratio of
three to one, rejected a proposal to
accept Lenine's terms and decided not
to send envoys to Russia to study soviet-
ism.

Sweden—Extreme socialists and la-
borites favor world revolution. In-
dependent socialists rejected a motion
to join the third internationale.

Norway—Resolutions advocating
creation of a revolutionary regime
based on the soviet system were
passed at the last socialist congress.
Scandinavian workers' congress in
session at Copenhagen, however, by a
vote of 385 to 15, rejected the Nor-
wegian socialist proposal to enter the
Moscow internationale and denounced
what it characterized as Lenine's
"barbaric terrorist regime."

Dutch Defer Action.
Holland—Dutch socialists in confer-
ence on October 27 decided to defer
action on the Lenine ultimatum.

Belgium—Socialists rejected the
overtures of third internationale lead-
ers and declared their purpose of pre-
serving independence of action.

Austria—Extreme socialists, after
accepting membership in the third in-
ternationale broke off relations with
Moscow on November 8, the social
democrats passing resolutions con-
demning the Lenine-Trotsky regime
as designed to "disrupt trade union-
ism."

Mexico—"Communist congress of the
Mexican proletariat" in Mexico City
on September 19 ended in disorder
when plans were started for the
organization of the fourth interna-
tionale. Bolshevism previously had
been endorsed by some of the speak-
ers. Radicals reported spreading in
Yucatan, where property of oppon-
ents of bolshevism has been dynam-
ited.

The Baltic states went on record
against sovietism when the social
democratic congress at Riga on De-
cember 18-20 rejected adherence to
the Moscow programme by a large
majority. While the socialists of
Strasbourg voted adherence to Lenine,
the French Agricultural federation
announced it would expel all those
who pledged allegiance to him.

No official expression of opinion on
the Lenine ultimatum has so far been
made by socialists or communist
bodies in the following countries:
Canada, Australia, New Zealand,
Portugal, China, Japan, Colombia,
Venezuela or Peru.

EUROPEAN CRIMINALS CHARG-
ED \$50 TO CROSS ATLANTIC.

Organization Formed to Put Thugs
on Vessels, Provide Passes
and Jobs on Board.

NEW YORK, Jan. 24.—Smuggling
of stowaways and members of ship's
crews into the United States is becom-
ing so prevalent that an organization
has been formed which draws lucra-
tive fees from European criminals
wishing to escape. It was reported
today by Immigration Commissioner
Wallis at Ellis Island.

Ramifications of the organization
which charges \$50 to place each stow-
away on ships leaving Europe, extend
not only throughout shipping centers
abroad, but also to steamship offi-
cials, longshoremen and others in this
country, according to a detective
agency which discovered the exist-
ence of the organization.

The principal methods employed, it
was said, include obtaining jobs for
a certain number on steamships and
these to turn hide others in the holds
of the ships. On arrival in this coun-
try the "crew" members lend their
passes to the stowaways, who then
undergo examination by immigration
authorities. Through collusion with
longshoremen the passes are returned
to their original holders, who then
escape ashore and desert their ships.

MAD MULLAH IS ROUTED

Airmen Completely Destroy Power
of Ruler in Three Weeks.

WASHINGTON, Jan. 24.—Complete
destruction of the power of Mad Mul-
lah, native ruler of Somaliland, Africa,
and for 34 years a problem to British
authorities, was accomplished within
three weeks' time by less than 200
airmen and 11 fighting planes, accord-
ing to an official report on the oper-
ation just received here.

Bombed out of their strongholds,
the natives were pursued and all the
leaders except Mad Mullah captured or
killed, the report stated. The air
expedition was sent out in 1919, but
details were kept secret.

It was the last of many punitive
forces sent to Somaliland where con-
tinual uprisings have involved the
British in military operations at fre-
quent intervals since 1885.

SELLING PLAN IS SOUGHT

Problem of Co-operation of Granges
and Co-operative Stores Faced.

SPOKANE, Wash., Jan. 24.—Rep-
resentatives of co-operative organiza-
tions in Washington, Oregon and
Idaho, meeting here today, authorized
the appointment of a committee to
work out a selling plan to provide for
the co-operation of granges and co-
operative stores.

Other resolutions called for co-op-
erative organizations to exert their
full political strength, as well as their
industrial and agricultural strength,
and opposed the establishment of
grange warehouses in towns where
co-operative stores already were sit-
uated. More than 30 officials of co-
operative establishments were pres-
ent. William Bouck, president of the
Washington state grange, presided.

FAIR NOTICE!
Just Three More Magic Days!
In Which to Save 33 1/3, 40 and 50 Cents on EVERY DOLLAR
Spent on Dependable and First Quality "Merchandise of Merit"
A grand three-day finale
to a sale that has brought prices down below what was believed to be the bottom of price deflation.
Many of our entire stocks without reservation
**Reduced to HALF PRICE and
40 PER CENT and 33 1/3 PER CENT OFF**
Yes, it has been sensational!

—in that in innumerable instances the reduced price was lower than before the war—and it will continue to offer sensation after sensation every remaining day—Tuesday, Wednesday and Thursday.

—Every department is offering bargains—hundreds of them are to be found on every floor beginning from the Basement up to the Eighth Floor. And in speaking of the Basement—we wish to say that the **ECONOMY BASEMENT STORE** occupies an enviable position. Because its surplus stocks are negligibly small, it has been free to make some unexpectedly fine purchases of new goods, getting full benefit of the recent market decline. We are offering these new purchases every day, and as a result the **ECONOMY BASEMENT STORE** has been packed from the time the store's doors open until they close again at night.

—Generalizing, we wish to call your attention to several of the items. Although every one of the hundreds deserve special comment, this is impossible.

—Our sale of Boys' Wash Suits began yesterday. While this is an annual event that is eagerly looked forward to by hundreds of parents in this city, we held it prematurely, as it were, in order to make it a part of this magic readjustment sale, consequently the prices are lower than they probably would have been had the event been held on schedule time. There are hundreds of suits at \$1.00 and \$1.35, and other prices which are half the regular market price. This event is dealt with more fully on another part of this page.

—Then we are offering our entire stock of high-grade bathroom fixtures at 20 to 50 per cent less. The modern bathroom symbolizes the cleanest, most wholesome and healthful things of life. No other room in the house so truly measures the standard of the family. Guests frequently form opinions once they step into your bathroom. You yourself have arrived at an opinion this way when on a visit. From a sanitary point, it is obligatory to have good bathroom fixtures, and here they are: Brackets, Glass Shelves, Brush Holders, Towel Bars, Soap Dishes and Sponge Dishes, all 20 to 50 per cent less. Then, too, we are selling our fine Bathroom Mirrors at 33 1/3 per cent off.

—It seems proper that we should hold in conjunction with this Bathroom Fixture Sale a sale of handsome Toilet Sets—Composition Ivory, Pyralin, Tusculor—at half price. These are original and distinctive sets, beautifully decorated, and also so well made that they are useful as well as ornamental.

—There are just a few pieces of our fine furniture left, such as Spinet Desks, Gate-Leg Tables, Davenport Tables and Overstuffed Chairs—all at half price.

—It might interest our readers to know that during the first day of this sale we sold so many pieces of furniture that our delivery section, even today, has been unable to take care of them, which is not a reflection on our delivery section.

—Our entire stock of Rugs at 33 1/3 per cent off. This announcement means more when we say it than when it is made by other establishments, inasmuch as our regular prices were always lower than regular prices elsewhere. Then there are hundreds of yards of curtains at 40 per cent off, such as Marquises, Scrims and Swisses, and several thousand yards of Cretonnes in delightful patterns at half price, and Inlaid Linoleums at 33 1/3 per cent less.

—Our linen department has been the center of activity the past month, but never was it so busy as it has been during this sale, and the reason has been quite apparent. Irish Linen Table Cloths at 33 1/3 per cent off; Irish Linen Crash at half price. On the same floor we are selling full-size Plaid Blankets and full-size Comforters and Machine Filet Bedspreads, all at half price.

—Women are profiting greatly by this sale. Our customers know how exquisite and dainty are the Blouses in our stock. Now we are selling our entire stock of Blouses and Over-Blouses at drastically reduced prices—Georgette, Crepe de Chine and Satin Blouses at \$3.75, and Burlingame Blouses at cost and less than cost—the sale price being \$5.98. Also all our Castleton Blouses at one-third off—a Tailored Cotton Blouse very specially priced at \$2.95.

—And if it is Gloves that a woman needs, here are Gloves of real mocha at 33 1/3 per cent off, and genuine imported French Kid Gloves at \$3.17 a pair; imported Japanese Embroidered Crepe Kimonos at less than import cost, \$2.95; Athletic Suits of cross-bar dimity, crepe de chine and Japanese silk at half price—75c to \$3.98; dainty Gowns and Envelope Chemise at \$1.45. And we could continue on and on.

Come during the next three days!

COMB SAGE TEA IN FADED OR GRAY HAIR
"They WORK while you sleep"
If Mixed with Sulphur it Darkens so Naturally Nobody can Tell.
Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Weyth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, at a very little cost. This simple mixture can be depended upon to restore natural color and beauty to the hair.
A well-known downtown druggist says everybody uses Weyth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful.—Adv.

"Well, sir, Tanlac braced me up from the very start and now I feel so different I sometimes wonder if I am the same man. My appetite is fine, my digestion perfect and I have gained eight pounds in weight. I tell you there is nothing like Tanlac when a man is in the shape I was in."
