

NATIONAL ROADS AID DEFEATED IN HOUSE

Swanson's Motion to Suspend Rules Beaten.

SESSION EFFORTS ENDED

McNary, However, Declares Problem Will Be Solved Early in Next Gathering of Congress.

THE OREGONIAN NEWS BUREAU, Washington, D. C., Feb. 18.—Senator Swanson's motion to suspend the rules and incorporate the house road bill as an amendment to the post-office bill now before the senate was lost on a roll-call vote today, 41 to 23.

This undoubtedly ended the efforts of senators interested in road legislation to obtain action during the present congress, but it was generally understood that the subject would receive early consideration in the new congress and that favorable action would be taken before the end of the present fiscal year.

Townsend Main Opponent. Senator Townsend was the principal opponent of the Swanson motion because he was not only opposed to any road legislation during this congress, but was particularly antagonistic to the house road bill, which was before his committee on postoffices and postroads.

Senator Townsend disliked the house bill because it made no specific provision for through trunk roads, such provision having been eliminated from the original house bill introduced by Representative McArthur.

On today's motion to suspend the rules and take up the Swanson amendment, Senators McNary and Chamberlain of Oregon, Gooding of Idaho and Phelan of California voted in the affirmative, while Senators Jones and Pounder of Washington, Borah of Idaho and King and Smoot of Utah voted in the negative.

Johnson Is Not Present. Senator Johnson of California was absent, Senator Hale of Maine was the only senator north of the Mason Dixon line and east of the Alleghenies to support the motion, which received the support of every senator from the south.

Good roads enthusiasts all through the west have been active for this legislation. Today's test shows that we have the majority to pass this measure when not handicapped by the requirement of a two-thirds vote, said Senator McNary, and I want to assure the west that we will get favorable action early in the extra session.

PULLMAN PORTER HELD

Passenger Charges G. M. Collins With Theft of Suitcase.

The alleged theft of a suitcase belonging to a Pullman car passenger caused the arrest yesterday by federal authorities of George M. Collins, a porter, who gave \$250 bail and is awaiting trial. Collins was arrested as his train arrived at union station, the specific charge being that of violating the interstate commerce act.

Arraigned on a white slaving charge yesterday in federal court, Charles J. Cameron, an ex-employee of the state institute for the feeble-minded, pleaded not guilty. His trial has been set for March 18.

EUGENE, Or., Feb. 18.—(Special.)—Oregon products are gradually gaining a foothold in California, according to J. O. Holt, manager of the Eugene Fruitgrowers' association and sales manager of the Oregon Co-operative Growers' who has just returned from a business trip to that state.

Oregon canned vegetables, especially beans and string beans, packed at the Eugene plant have been sold in large quantities in California during the past year or two, says Mr. Holt, and some Oregon prunes are being sold in that territory.

A new and unique competition for cameramen, with a solid gold badge worth \$100, as the prize, is announced by Fox News.

The competition opens March 1 and closes June 15. Thus for three and a half months Fox News field and staff cameramen in every part of the world will vie with one another to produce the winning picture.

MORROW TO GIVE WHEAT

County's Quota for Famine Sufferers of China Assured.

HEPPNER, Or., Feb. 18.—(Special.)—At a noon luncheon at Hotel St. Patrick today about 40 business and professional men heard an appeal from R. H. Jones of Portland in behalf of the famine sufferers in China. Mr. Jones explained that the appeal for China is being made through the Armenian relief organization and asked for foodstuffs rather than money.

Morrow county's quota is fixed at \$2490 and by unanimous vote of those present it was decided to make up that amount in wheat to be sent to China. The railroad company will be asked to deliver the wheat in Portland free of charge and it is understood the government will furnish a vessel to carry Oregon's contribution to its destination.

-or just oats?

The difference:

- 1. We steam-cook H-O, so you only have to cook it a few minutes.
- 2. Pan-toasting brings out an entirely different and delicious flavor, and gives it that rich, golden color.
- 3. It cooks up flaky—not sticky and pasty.
