

PROPOSED SEWAGE TRUNK IS OPPOSED

Foster Road Residents File Objections to Project.

COUNCIL HEARS PROTESTS

200 Taxpayers Attend Meeting of City Commissioners at Which Matter Is Discussed.

The proposed Foster road trunk sewer system, if constructed now, will not only bankrupt the city, but will also...

More than two hundred residents of the Lenta, Mt. Scott, Woodmere and other districts jammed into the council chambers to hear their chosen spokesman argue the measure...

Speakers Oppose Sewer. Speakers representing property owners of the outlying districts stated that they were even willing to surrender the possibility of the sewer...

The estimated cost of the sewer system is \$402,000. It could be used for the drainage proposed for a number of years, until another system is constructed...

The case of the owners who object to the laying of the Foster road sewer was best presented by N. G. Hedin, manager of the Wapinitia Irrigation project in eastern Oregon...

Pavement Practically Promised. The mayor practically assured the residents that the pavement would be laid on Foster road regardless of the sewer considerations...

Committee Says Portland Law is Liberal. Report of Chamber of Commerce Investigators Asks for Only Few Minor Changes.

Portland's building code received the "ok" of a special committee of inquiry yesterday, when Jesse A. Curry, chairman of the committee...

Mr. Curry and his fellow committeemen were appointed some months ago to make an exhaustive survey of the code and its application...

"Your committee received practically no complaints," the report declares, "and those received were largely of a personal nature and in some cases the complaints were the result of a desire to circumvent the present building code for personal gain."

"In comparing the Portland building code with the building codes of other cities, we find that the Portland code is in general terms and conditions is quite as broad, comprehensive and liberal as any other code in the city...

Among the cities whose building codes were reviewed by the committee for comparison with that of Portland were Boston, Detroit, Seattle, Los Angeles, Cleveland, Philadelphia, San Francisco, Minneapolis, Rochester, N. Y., and Baltimore. In conducting his inquiry the committee consulted and received suggestions from the American Institute of Architects, Builders' exchange, Master Builders' association, Office Building Managers' association, Portland Cement association, Northwest Contractors' association and many others.

The report recommends that the work of such a committee be made a permanent enterprise of the chamber, thus keeping pace with requirements as they arise.

Roads to Be Graveled. AURORA, Or., Feb. 23.—(Special.)—The Marion county court has made arrangements for several thousand yards of gravel to be taken from the Pudding river here by the Hunz plant, and has called for bids for hauling it to the roads near Aurora and Hubbard. The roads are the Aurora-Donald highway, the Aurora-Butteville highway and the Pudding river-Hubbard-Bronckers highway. The latter road will require about 3000 cubic yards, and the other roads about 1000 cubic yards. Last year \$72,000 was expended on graveling Marion county roads here. This year it is estimated \$10,000 to \$12,000 will be expended.

TILFORD ESTATE \$290,000

\$4000 IN BOND LEFT TO CHINESE SERVANT.

At Widow's Death Fortune Will Be Divided Between Brother and Niece.

An estate valued at \$290,000 was left by David W. Tilford, who died in Portland February 5, at the age of 73 years, according to the petition for probate of will filed in the circuit court yesterday by the Security Savings & Trust company, named executor under the will.

Four bonds valued at \$1000 each were left to Toy Roy Sing, Chinese servant. Most of the estate is left in trust during the lifetime of the widow, who is to receive the net income from the property. At her death, the will provides that the estate shall be divided equally between Oscar H. Tilford of Portland, a brother, and his daughter, Mrs. Marie Sanford of Olathe, Kan. If they are dead, the estate is bequeathed to their survivors and if none survive, the property is to go to Willard Sanford, husband of the niece.

The name of Mrs. Dora Griffin of Salt Lake City, listed as a sister among the heirs at law, mentioned in the petition for probate, is not found among the beneficiaries of the will. Bonds worth \$2000 were left to Mrs. Helen Gowan of Portland and Miss Sarah McCully of Portland. Oscar Tilford, the brother, received an outright legacy of \$25,000 from the estate.

UNION SUED FOR \$27,100

R. P. Schroeder Says Longshoremen's Association Had Him Fired.

The Longshoremen's association of Portland was held a party to a malicious conspiracy to deprive R. P. Schroeder of a livelihood in the vicinity of this city, in a suit for damages of \$27,100, directed against the union and filed in the circuit court yesterday.

Schroeder, as plaintiff, avers that he has been a longshoreman for more than 20 years, that serious injuries received in his occupation in 1920 compelled him to quit this work and take a position as a foreman. His first job was with the Oregon Stevedoring company at \$300 a month, he asserted. On August 7, 1920, he declared his employers were notified by the union that no more help would be furnished the company by union men if Schroeder was employed as foreman.

Since his discharge there, Schroeder asserts that he has been unable to obtain other employment because of the threats made by the union against prospective employers. He is not well enough to go back to his old occupation and his financial condition has become such that he has been threatened with arrest for non-support, he says.

TRAIN SCHEDULE REVISED

Southern Pacific to Inaugurate New Upper Valley Service. EUGENE, Or., Feb. 23.—(Special.)—A new time card that will affect a number of Southern Pacific trains in this part of the valley will go into effect next Sunday, according to announcement by A. J. Gillette, local agent of the company. The passenger train on the west side branch, between Eugene and Corvallis will be substituted by a mixed freight and passenger train leaving Eugene at 7 A. M. Mondays, Wednesdays and Fridays and arriving from Corvallis Tuesdays, Thursdays and Saturdays at 2 P. M. The Eugene-Wending train will arrive from Wending at 8:10 A. M. The Pullman sleeper train between Eugene and Marefield, on the Coos Bay branch, will be discontinued permanently and the daylight passenger train that now leaves for Coos Bay points at 7:45 A. M. will leave at 8:25 A. M. instead. Returning from the coast it will arrive in Eugene at 2:45 P. M. A falcon's flight has been estimated to be at the rate of 150 miles an hour.

PIMPLY? WELL, DON'T BE

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, bowels and liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's no sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cured with a "dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color. Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result. Take one or two nightly for a week. See how much better you feel and look. 15c and 30c.
