

Women's Activities Orchid "Nightles" Correct.

The Portland Shakespeare Study Favor seems to point to orchid "nighties," or peach, maise, light "blue, pale gray and black. They come " Source as found here and Mrs. C. A. meet " Source as found here as found here and Mrs. C. A.

store, There is a navy blue tricotine suit with box coat, scallopped and "ambroidered in "lazy daisy" stitch; skirt ornamented to match. Another mayy tricotine is a blouse suit with panels embroidered in black and sil-wer. Strictly tailored is a gray "abardine with straight lines, one button and a narrow belt. Reindeer shade is new and smart in tricotine and is seen in a flare box coat emand is seen in a flare box cont em-oredered in tinsel, tan and partridge shades of silk. A brown tricoline, belied model suit, has a tuxedo collar, bell sleeve and is embroidered.

Loose Model Stunning.

In coats for the grown-ups the scose style in navy blue with novelty witching with collars and cuffs of tostitching with collars and cuffs of to-nato is seen in a stunning model. A gray poiret twill lined with gray has a navy Roshonara creps collar and is a Worth reproduction that is sim-ply beautiful. Tan cypress cloth is been in a coat made with loose sleeves and stitching. This is a Bernard re-production.

Gowns are tempting in navy tafbrown creps. A Schroeder gown of ust embroidered net over creps de hine has a long sash. It is one of the most aristocratic of the gown group. Ecru lace with a Harding blue sash a effective in another gown.

Georgette Sweaters Attractive. There are adaptations from Calot, Bernard, Redfern, Worth, Agnes and other designers.

In sport skirts in the new "gcorg-rtte sweaters," which are really finely woven, cobwebilke wool, and in the bordered angora scarfs there are many attractions. The Marinette is the aristocrat of knitted goods. In builtonsis, the taffets takes promienticoats the taffeta takes promi-ence. In sport hats the lines are
