WEAK
WOMEN
cannot hope ever to become strong and
well again unless they have plenty of
good, rich red blood of the kind that or-
ganic iron—Nuxated Iron—helps make.
Nuxated Iron is like the iron in your
blood and like the iron in spinach, lettuce
and apples, while metallic iron is iron
just as it comes from the action of strong
acid from iron filings. Nuxated Iron does
not injure the teeth nor upset the stom-
ach; it is in a entirely different form from
ordinary metallic iron. It quickly helps
make rich, red blood, restores worn-out
evaluated nerves and give you new
strength and energy. Over 4,000,000 peo-
ple annually are using it. At all drugstores.
Beware of substitutes. The genuine has
N. L. standing on every fact. Always in-
sist on having the genuine.
