Switzerland, Italy, France, England and America contribute to this wonderful ensemble of choice cravats. Men have been wont to find such scarvings only in the higher price-reaches and far from

an abundance even there. But there's no scarcity of them here: Swiss satin striped charvats, French warp prints and taffetas, Italian hand-loom grenadines, English woven silks, rich American scarvings—this sale has an international flavor.

At \$1.15 each or five for \$5 this sale offers the best neckwear values in years.
