#### Stokes' Brother Quoted.

Linked with her story of brutality was Tom Stokes, brother of the husband. She quoted him as saying that W. E. D. Stokes did not care for her and "wanted to go back to his first Greeks and Jews, in which several the general committee's statement to charge made on the first day of her Turkish, paraded about with the eftestimony.

She added to this the unqualified charge that her husband, through Albert Gleason, an attorney, sought to bribe her into suing him for divorce. This she refused, she testified-"not even for \$50,000 a month."

#### Brutality Charges Are Made.

Gleason figured again in her statement that on three occasions her husband compelled her to sign waivers to interest in his property valued conservatively at \$10,000,000. She was not permitted to read the papers she signed, she said and the papers she signed, she said and the papers she whirlwind of talk in house. Page 3. signed, she said, and her questions America will be guided by allies in framing were rudely dismissed.

Called upon to cite instances of Peace resolution debate is postponed. physical brutality she whispered them Reparations hope is put in Hughes one after another, giving dates and places, and sometimes spectators. Budget bill passed quickly by senate.

There was a scene at dinner in her. There was a scene at dinner in her apartment at the Ansonia. Tom Stokes was the guest. She objected to him "because he called me vile wife charges Stokes with physical torture. names. "I said I would not eat with him.

Mr. Stokes turned me against the Tornado kills 12; town is wrecked. Page 2. wall, pinned my arms and ordered the Asso butler to serve Tom while he held me there until Tom had finished.

#### Threat Also Is Reinted. "Then he threatened to lock me in a

room without food until I learned he was the boss of the house." Mr. Stokes, whispering to his counsel, threw back his head and chuckled derisively. Mrs. Stokes swayed in her chair, supporting her head with uncertain hands. The setting changed to the Stokes home in West Seventyeighth street and the time to the final weeks of their life together. "I woke up in bed to find Mr. Stokes

in his pajamas, a revolver in his hand. I asked him what he wanted. He didn't answer. Go to bed, I told him. He stood there. He said he heard sounds of a burglar. Then he walked Chicago wheat market strengthened by docks; for the railroads, L. C. Gilman, away into the library, and sat on the foreign buying. Page 21. lounge for more than an hour and a half. He could see me from there."

#### Blow Also Is Alleged. "For her insistence that he pay cer-

tain bills, he struck me as I stepped from the bed, threw me against dresser, until I almost fainted. He asked me if I was boss of the family and told me the sooner I learned he was, the better it would be. "This was two months after we Change were married."

The week following her marriage said she, she found a woman in their apartment. She identified her as "Madaine Estello." Thus one began Mayor demands ousting of taxis by council, (Concluded on Page 2 Column a)

### PEACE RESOLUTION DEBATE POSTPONED

TO BE OCCUPIED.

enate Delays Action Until Today. Solid Republican Support Claimed by Proponents.

WASHINGTON, April 26 .- Debate on the Knox peace resolution was postponed today until tomorrow. No senators were prepared to begin the MUTUAL CONCESSIONS MADE discussion, it was explained. That the debate will occupy but a few days still was predicted by leaders of both parties.

Solid republican support of the Knox measure was claimed on the republican side, and it was conceded that several democrats again would give it their vote. When first adopt ed, May 15, 1920, the senate vote was

Two substitutes for the Knox resolution are to be offered by Senato King, democrat, Utah. One would propose ratification of the peace term: of the treaty of Versailles exclusive of the league of nations covenant, and another would declare peace without repealing the war resolutions, reserving American rights un der existing treaties.

## MEN WORK FULL TIME

Southern Pacific Crews Resume Six-Day Week.

EUGENE, Or., April 26 .- (Special.)-The 42 men employed in the yards and roundhouse of the Southern Pacific company here have been put to work on a full six-day week, having been working only four days a week for the past two months. Last fall the working week was reduced to five days and later to four days. Announcement was made a few days ago that the six-day week was being restored in all the yards and roundhouses in this state.

As the men here receive a wage averaging \$5 a day, the payroll in this city alone was augmented more than \$200 a week.
