## MINERS REJECT NEW OFFER BY ENGLAND

VOTE AGAINST ACCEPTANCE BY

Proffered Subsidy Grant Declared Inadequate-Stoppage of Coal Mining in Fifth Week.

LONDON, April 28 .- (By the Asso iated Press.)-The miners' federation oday rejected the government's nev offer, looking to a settlement of the coal strike, increasing the temporary subsidy to the industry from 17,500. 000 to £10,000,000. The rejection was

by an overwhelming majority. This temporary subsidy the government had offered for the transitional eriod of four months, so that the wage reductions should not amount to more than three shillings a day. Today marked the end of the fourt

week of the stoppage of coal mining

When the conference of the miners' representatives and Sir Robert S Horne, chancellor of the exchequer began today it was believed the gov ernment's offer of the transitional subsidy had brought the contending parties nearer a settlement, but after the chancellor's talk with the miners delegates they declared that the proffered subsidy grant was inadequate. One report had it that the miners nsistence that the reduction in wages ican Steamship Owners' association should not exceed two shillings, six ers, was the newest stumbling-block. today to Secretary Hughes the views
