British Title to Remain at Home Another Year.

GRAHAM, HUNTER RIVALS

Winners of Semi-Finals to Fight Way Through Finals for Championship Today.

HOYLAKE, May 26 .- (By the Associated Press.)-The British amateur golf champion is to remain at home for at least another year. An English-man will retain the emblem. Either Allan Graham of the Royal Liverpool Kingsdown, will be the new champion, having won their way through the semi-finais round this afternoon.

The Englishman then took the 17th, but jost the 18th. Dar-win won the match on the extra hole. The feature of today's discussion The feature of today's discussion among golfers was the decision by the Royal and Ancient Golf club rules committee to bar the ribbed or slotted clubs used by American golfers. The ban, however, will not be put into operations this year.

The two semi-final matches were singularly unlike. The Tubbs-Graham match was a very poor display of golf, neither of the men at any stage.

Hunter's victory makes him the favorite for the finals. The match was played under unfavorable weather conditions, a light rain falling and a northeast wind blowing over the course.

Wright's play was brilliant in the contest and threw out four base run-first half of the match and toward its close, when he won the 18th hole after Darwin had become dormie on after Darwin had become dormie on after Darwin had become dormie on the 17th. At the 19th, however, the American badly topped his tee shot and failed a later chance to redeem

himself by underplaying a short putt Commenting on the match, Wright said that he did not blame the wind or cold for his defeat, but that he had gone down playing the best golf of which he was capable. Darwin and Wright halved the first

two holes. Wright won the third in 5 to 6, becoming 1 up. At the fourth Darwin squared the match in 3 to 4. Wright won the fifth and sixth and became 2 up. Darwin drove out of bounds and Wright won the seventh, 3 to 4. Wright, however, got under the railings at the eighth and lost in 7 to 5, but he won the minth in 4 to 5 and stood 3 up at the turn.
