"P. E. Saylor" Defies Whole Country to Get Him.

I was in! Well, it's all in a lifetime, anyway. "I suppose you and me are getting away with the same kind of dope. You wouldn't go and fight, either, would you? Too old! That was too bad-ahem-but let's grin and bear it. "Yours for democracy." "P. E. SAYLOR." William Bryon of the department of justice picked up a trace here and there of Saylor in an investigation that went the length of the Pacific coast, but he was not brought to heel. The investigation has been continued, with the hope that the comical as-pects of the case as seen by Saylor may be turned into a tragedy whereby the slacker will be made to feel the contempt of a nation. "Excape Considered Likely. DISCHARGE IS PURCHASED

Girls in Chicago and Elsewhere Entertained With Yarns About Heroism in France.

It is thought probable that the American Legion may be able to fer-ret out the man's whereabouts and cause his arrest. However, whether he can ever be punished sufficiently is in doubt, since enough time is be-lieved to have clansed to null his leved to have elapsed to null crime under the statutes. Adjutant-General Swayle of the "Sweep out the hall of infamy, dust Amorican Legion for the state of Washington sent the letter on to United States Attorney Humphreys for investigation. He wrote the man should be punished severely, believ-ing at that time he was to be found at the fictitious Portland address given in the letter. of dishonor, where all traitors to the country are enshrined in the nation's contempt, for here is a new candidate

of Newberg was best man. Following the ceremony a wedding luncheon was served. Mr. Tallman was graduated from the University of Oregon in the at the actitious Portland address given in the letter. Meanwhile the government will continue its search. Should he be found, ingenuity will be taxed to find a punishment to fit the crime. Saylor, it was hinted, may yet find himself another "man without a country" Lester W. Humphreys, United States attorney, was speaking. He was com-
