National Industrial Conference Board Looks for General Settlement Shortly.

THE OREGONIAN NEWS BUREAU. Vashington, D. C., June 5 .- With the rices soon will be stabilized on a defnitely lower level than since early national industrial conference board.

"After the signing of the armistice, mays the board, "the cost of food and lothing dropped, and in the spring of rents and prices of fuel, light and sundries, the total cost of living was ower than in the preceding Novem ber. A new upward movement ther occurred. From March, 1919, to July 1930, there was a continuous increase n the cost of everything making up

the coat of living.
"Since the summer of 1920 clothing and food prices have fallen rapidly, and in the autumn this downward movement was followed by a decline in prices of coal and sundries. Rents

however, continued to rise.
"Thus the peak of the rise since
1914 in the cost of living seems defnitely to have been reached and passed. Since July, 1920, there has been a marked and fairly constant decline from month to month. From July, 1920, to November, 1920, the decrease was 5.6 per cent; from Norember to March it was 12.6 per cent; from March to May it was 1.8 per cent, making a total decrease of 19 per cent between July, 1920, and May, 1931. EUGENE, Or., June 5 .- (Special.) One of the warmest election fights ever held in Lane county is that over the proposed recall of Mahlon H. coast cost 18 cents. One dollar's Harlow, county commissioner. L. N. worth of potatoes in 1913 would require \$6.06 in June, 1920. Since July, builder, is the opposing candidate on builder, is the opposing candidate on the ballot.

The recall petitions were circulated above the pre-war level.

Clothing prices rose higher than any other major item in the family budget and reached their peak of 377 per cent in March, 1920. From them the descent was sharp and rapid, until in the spring of 1921 average prices failure to allow alleged excessive failure to allow al were only 68 per cent higher than in the summer of 1914.

"Although the advance in the price of shoes has been more annoying and more obvious than that of many other litems, as a matter of fact prices for moderate grades of shoes never went."

Mr. Horton has the support in his fight against the county for lumber and because the state highway from Eugene to the coast was not located over the "high pass" route, on which is located Mr. Horton's sawmill.

Mr. Horton has the support in his fight against Harlow of a large number of presents in the wastern part of

It is now west for the first time.

Easterners will be glad of the opportunity of renewing their acquaintanceship with an old friend.

Westerners NOW have the greatest of all beverage treats awaiting them.

A Refreshing Drink With Good Health in Every Drop

Dr. Swett's Original Root Beer is brewed from the juices of such beneficial berries, barks, roots and herbs as Checkerberry, Sweet Birch Sassafras, Sarsaparilla, Spineard, Juniper, Wintergreen, Ginger and Hops.

These ingredients have a decidedly beneficial effect on the Stomach, Liver and Kidneys and at the same time furnish a drink that is sharp, zestful, refreshing and satisfying.

A Few Facts That Cannot Be Overlooked

Dr. Swett's Original Root Beer does not contain citric acid. It is not made from synthetics or essential oils.

The government has rendered an official decision that Dr. Swett is the only man who can lay claim to manufacturing the original Root Beer. There is positively nothing like it on the market.
