Dress as Woman Suspected. Warnings were sent out by Sheriff learning. Starmer late today to all officers throughout the northwest that Dr. Brumfield will probably be wearing woman's clothing and adopt this disguine to elude capture.

Information received by the offi that he will attempt to assume the guise of a woman and will try to escape detection by that means. He will doubtless change to the disgulse at the earliest possible moment, the officers declared, and they were endeavering to get some information gard to the garments which he might while intoxicated. be wearing.

This, however, is very hard to do, as there is such a broad field to be through the windshield of the ma-

feeted in Portland. Prepared for a gruesome search, may lead to the disclosure of some of the most important evidence in the murder mystery, that of the inw bones and teeth of the decapitated body lying in the morgue in this city, Sheriff Starmer today vis ited several sections south of Roseburg, where it was believed the bone
