## \$55 Torrington Electric Vacuum Cleaners

\$39

Limited number at \$39 for clearaway.

The Torrington gets the dirt—the unseen, introduced dirt that shortens the life of expensive carpets and rugs, that fills the air with disease-breeding germs. Gets it better than a suction cleaner alone because its big revolving brush in the nozzle working with strong suction instantly picks up every scrap, string, thread and raveling—combs out, sweeps and sucks clean the whole fabric of the rug. It gets all the dirt without injury to the rug—gets it so completely that you don't need to dust-after cleaning.

### Specifications

Air-cooled General Electric motor. Stamped steel nozzle. Genuine bristle brush, adjustable to rug naps of varying length. Cleans a strip 13 inches wide. Runs under almost all "low down" furniture. All metal parts highly nickel-plated. Weighs less than 12 pounds.

—Meier & Frank's: Basement, Sixth Street.

Special 3 Days' Demonstration of

## National Steam Pressure Cookers

A new aid to household efficiency—the National Steam Pressure Cooker and Canner—will be the subject of a special demonstration by a domestic science expert Thursday, Friday, Saturday.

Steam pressure cooking is highly recommended by authorities because all the flavors are brought out, making everything taste better—besides the food is more easily digested. Will not scorch or burn.

### Makes Cold Pack Canning Easy

Use the National Steam Pressure Cooker for putting up fruits and vegetables.

### Saves on Food, Fuel and Time

Saves on food because even the toughest meats are made tender and delicious when cooked in the National. As compared with open vessel cookers the National aluminum Steam Pressure Cooker saves two-thirds the time and three-fourths the fuel.

### Come In and See the "National"

See our special demonstration. See why YOU should have a "National."
