UNIFORM SPEED LAW AIM

Attempt Will Be Made Today to
Raise 20-Mile Limit.
That speed laws on the lower Col-
umbia river highway from Portland
to the sea may be synchronized so
that uniform provisions may be in
effect along the whole drive, with a
gain both in safety and convenience
for the traveling public, is the main
object of the meeting at 2 o'clock this
afternoon at the Chamber of Com-
merce rooms in the Oregon building.
Officials of counties and municipal
patrons along the highway who have
to do with placing and enforcing
speed limits, have been asked to at-
tend and it is expected there will be
a general representation from the
chief communities on the lower river.
Over some portions of the highway
it is felt that the present speed limit
of 20 miles an hour is too low. Uni-
form traffic requirements that will
be more easy of enforcement are
desired generally.

Women's Activities

A well-attended meeting of the
women's auxiliary of post No. 1,
American legion, held at the central
library recently, plans were formu-
lated for a membership drive to be
conducted in a new manner. The new
feature to be inaugurated includes the
use of publicity.

The work in the past has consisted
mainly in visiting the hospitals, where
home-made cakes, candy, fruits and
stationery are distributed to the
service men. At times a chap desires
that a letter be written or a com-
munication sent. These acts are done
in a spirit of appreciation and kind-
ness, not as a charity.

The president of the Sons of Vet-
erans' auxiliary will give a silver tea
tomorrow afternoon at the home of
Mrs. Elva Pihner, 66 East Twenty-
ninth street off the car at Everett
street and walk one block east. These
functions are held the last Tuesday
of every month.

Alumnae members of the Naemphi
club of Jefferson high school will
have a get-together meeting Satur-
day evening at Peninsula park.

LA GRANDE, Or., July 24.—(Spe-
cial.)—Women of the P. E. O. Sister-
hood, Chapter 4 were entertained by
their husbands Friday evening at the
new hotel in Union. Places were
made for 43 guests at the attractively
arranged dinner table. Follow-
ing the dinner hour, the evening was
spent in the parlors of the hotel.
Guests from Bond City and Elgin
were present. The husbands entertain
annually.
