DIAMOND WILL BE GRADED Baseball Practice to Start at University This Fall.

UNIVERSITY OF OREGON, Eugene, July 27.—(Special.)—Work will begin tomorrow on the University of Oregon varsity baseball diamond to cover gon varsity baseball diamond to cover the infield with a layer of new dirt and round it up to form a standard "turtle-back" playing surface. The entire field will be graded and put in first-class shape for use in the fall. Baseball practice will start on the varsity diamond just as soon as the players get back in the fall, said Coach George Bohler yesterday. Outdoor practice will be continued as long as weather may permit and then the squad will have daily workouts in the batting cage which is to be made out of the old grandstand on Kincaid field. Every aspirant for the team will have two terms in which to develop his batting eye and keep his throwing arm in shape before work starts in earnest in the spring, according to Bohler.
