hearing of Russell E. Coberly,
25 years old, Wilcox apartments,

in a fit of blind fury following a
quarrel over alleged relations with
another man. Mrs. Coberly was re-

cause intense suffering.

RETIRED TIMBERMAN DEAD.—Julius
Thibert, formerly a well-known tim-

at his late residence, 695 Flanders
street, Portland. Thibert was born
in the province of Quebec, Canada,
later going to Wisconsin where he
married Miss Victoria Le Brun, also
of Quebec. Thibert's health had been
poor for some time, and his death
was not unexpected. He is survived
by four children—Mrs. A. E. Billings,
Rosealain, Ernest, Victoria and Leland
Thibert. Mrs. Thibert died 18 months
ago.

PAINTSHOP FIRE PROBED.—Spontaneous
combustion is believed the
cause of a fire which broke out in
the Arcady Press building at Twelfth
and Jefferson streets late Saturday
night, doing \$6000 damage to paper,
machinery and other equipment in
the press room. The blaze was con-
fined to the area around an ink closet,
where it started, but valuable ma-
chinery and paper suffered from the
intense heat and water.

EPIDEMIC HELD CHECKED.—The diph-
theria epidemic which started last
week in the Albertina Kerr nursery
home is considered effectively
checked, according to word from the
quarantined establishment last night.
No new cases have developed and
none of the 14 infants whose cultures
showed positive reaction was re-
ported actually ill. Fifty nurses,
nurses and six attendants are under
quarantine.

WILLIAM A. ROBERTS DEAD.—William
A. Roberts died suddenly at his
home in Portland July 31, aged 78
years and 5 months. Mr. Roberts
was born in Florida. He crossed
the plains with his parents, Stephen
and Mary Roberts, who settled at
Gresham, Or., in 1852. A son and
daughter, Chester C. and Madeline A.
Roberts, survive him. Funeral ser-
vices will take place today at 3 o'clock
at the Portland crematorium.

THEFT OF AUTO CHARGED.—Charge
of larceny of an automobile belong-
ing to Charles Clark of Camas, Wash.,
was lodged against Eldred Markley,
23 years old, who was arrested yester-

The officers said Markley recently
was discharged from the Monroe,
Wash., reform school and that he has
a four-year prison record.

a farmer living on the Base Line
road, was leading a cow along Berke-
ley avenue about 9:30 yesterday morn-
ing. The animal hung back on the

to push than to pull. The cow kicked.
Freeman was taken to St. Vincent's
hospital, where it was found that his
right hip had been fractured.

HOSPITALITY IS PRAISED.—High
praise for Portland citizens' hospital-
ity is conveyed in a letter received
by Mayor Baker from David L. Good-
willie, chairman of the national for-
eign committee of the Chamber of
Commerce of the United States. The
letter is in acknowledgment of the
treatment received by Mr. Goodwillie
and party on a recent visit here.

MANY CATS AND DOGS SLAIN.—Among
other monthly reports made public
yesterday came one about cats. Elec-
trocution brought a sudden end to 501
strayed or afflicted tabbies and tom-
mies picked up in the city during
July by the Oregon Humane Society.
This was three more than were killed
during June. Dogs showed a greater
increase, 49 being done away with
in July and 66 in June. The society
has a neat little cabinet in which
the condemned canines and felines
are placed one at a time. Closing the
lid turns on the current automati-
cally and the job is done.

214 Main street, respectively.

A. BOYD WILLIAMS CHANGES.—A
Boyd Williams, president of the Ma-
zamas, and well-known mountaineer
and guide, has formed a new busi-
ness connection, being with Phil
Grossmayer in general insurance
business after having been identified
with banking circles in Portland. For
seven years Mr. Williams was with
the Lumbermen's National bank and

to Portland the same evening.

night. Boydston disappeared follow-
ing the shooting of the almost cost the
Bakers their lives. Circulars carry-
ing his picture were responsible
for his capture in Montana.

SALES TAX FAVORABLE.—Advices
were received at the Chamber of Commerce
yesterday from the United States
chamber at Washington that the
result of a recent referendum vote
of the 1400 organizations through-
out the country showed that the
chambers strongly favor a sales tax
over tax. The United States cham-
ber is preparing legislation to be
submitted to congress according to
the advice.

SHOOTING TO CONTINUE.—Efforts of
citizens residing near the Portland
Rifle club range in Parkrose to have
the county commissioners order the

Garrett, shoe salesman for Lipman,
Wolfe & Co. living at 688 Forty-
third street North, is reported by his
physician to be in a serious condi-
tion at his home, due to a stroke of
paralysis which apparently resulted
from a cold. Garrett, who formerly
was connected with the Knight Shoe
company, was taken with a severe
cold last Thursday night. He took
several grains of aspirin when he
went to bed, he awoke, and the next
morning found he could not move

to rise he fell to the floor and since
that time has been forced to remain
in bed. With the exception of the
cold, he enjoyed excellent health
prior to the attack.

COUNTY MAY CONTROL DANCES.—An
effort will be made to place county
superior jurisdiction over the plan-
ning of dances on board the dance
Swan, which take place outside the
city limits and the jurisdiction of the
police. Complainants have been re-
ported that the dancing which takes
place on the Swan is improper, but

tland association at Crown Point
chalet, Friday night at which John
E. Gratke will make the address on
the city's plans for the 1925 ex-
position.

CIGARETTE CAUSES FIRE.—A cigar-
ette thrown from an adjoining build-
ing is believed to have been the
cause of a roof fire at 491 Glisan
street yesterday afternoon. The
building is a one-story structure and
was damaged approximately \$200. No
one knew the name of the occupants,
except that they were French folk
and had gone away recently on a
vacation.

attempted to escape from the Ryufuku
Maru last Saturday as the ship was

which broke out at 9:20 yesterday

BUILDINGS HELD LEGAL.

Right of Council to Enact
Requested Legislation.

A general ordinance, designed to
protect the strictly residential dis-
tricts of Portland from encroach-
ment of undesirable buildings, could be
enacted without any legal objections,
according to the report of City At-
torney Grant yesterday on a plan out-
lined by H. E. Plummer, building in-
spector. The council could bar cer-
tain types of undesirable structures
from residential districts, but could
not place a minimum limit on the
cost of residential buildings. Mr.
Grant held in his report.
