FOR SALE—AUTOMOBILES.

WE ARE SELLING HUDSON AND ESSEX AUTOMOBILES that have been either rebuilt or renewed that are in the best mechanical and running condition—that are also warranted the same as factories warrant a new car. In addition, we give 90 days' free mechanical service.

This is not new on Hudson automobiles. We have rebuilt and sold them with a warranty since 1910. You buy a fine quality car with the same safety as when you purchase a new automobile. Buy a car you can depend upon, and at a bargain price.

Other makes of used automobiles thoroughly overhauled, put in first-class condition and sold with a 10 days' free trial, subject to being returned and full credit given on any other car of equal price that customer may select.

This gives ample time for every purchaser to try out the car he buys, gives him time to have it inspected, as we want only satisfied customers.

EXTRA SPECIAL.

Since the $500 drop in price of the 1-ton GMC, we are being swamped with offers for trades. We cannot continue to take in used cars unless we move some of the stock on hand. These trucks have all been overhauled in accordance with our regular policy. Every one is ready to go out and render tip-top service.

COME IN, LOOK THEM OVER, DON'T ASK THE PRICE. MAKE US AN OFFER.

1-ton Moreland, on solid tires. This truck is a very husky one-tonner and is built to stand a tremendous overload. All the parts are standard. Continental motor, Brown-Lipe transmission, Timken worm drive, rear end.

1-ton Republic, solid tires, absolutely new. This truck has seen very little service. It was too small to suit the needs of the purchaser and was traded in just after it had been thoroughly limbered up.

1-ton Ford, worm drive, pneumatic tires on all five wheels, good platform body, stake sides, first-class cab. This outfit cost the owner over $900. Has been used by a farmer to haul produce to the Yamhill market; never been overloaded or overspeeded and is a wonderful opportunity for the man who needs this kind of equipment.

¾-ton Republic, on solid tires, good body, cab and windshield, first-class mechanical condition.

2 ¾-ton GMC's, one has been thoroughly overhauled, repainted and is ready for immediate delivery.

¾-ton Buick. This machine has been overhauled from stem to stern and is in every respect the same machine as the ¾-ton GMC except for the motor and radiator.
