**Dresses—

**Coats—
\$39.75**

The Fashion Salons offer for the first time 100 new autumn suits at a wonderfully special price. The assortment exhibits all the latest models. The suits are made of splendid quality moussyne and duvet de laine—and made as befits garments of high lineage. They are further distinguished by embroidery or fur trimming—beaver, squirrel, mole, nutria, wolf, Australian opossum among the latter.

Colors:—

Navy, Black, Brown

An outstanding value at any time, lack of space precludes our doing these dresses justice, but women and misses lucky enough to share in this sale will make up by their encomiums for our shortcomings. Dresses of canton crepe, crepe-back satin and tricotine in models illustrating the newest style tendencies through uneven hems, side drapes, sashes and innumerable other clever ways.

—Meier & Frank's: Fourth Floor. (Mail Orders Filled.)

It is faint praise to say that this is the season's most important coat sale, for these garments far surpass any yet offered at the price. Their purchase was consummated in amazing fashion. Particularly handsome models of bolivia and velours with large fur collars of mole, nutria, raccoon, Australian opossum. Many handsome browns and blues. Although the assortment is extensive we counsel early selection.
