New Arrangement Is to Be Effective October 1.

EXECUTIVES IN SESSION

ecision to Have Direct Bearing

pearance of Miss Tsuru Aoki, who, in allonal dues, decided the department recurive committee in monthly session in Portland yesterday afternoon. Beginning with October 1, new aembers of the organization will be carried in the rolls as paid-up members until December 31, 1822. Though a material figure into a character warped and made hard and shrewd by saling on a membership drive now inglor cords are the best grapes for jelly in the final work on "Peacock Alley," first of the series of productions in which Mae Murray makes her bow as both star and producer, is now being and the price next week will be carried at the rolls as paid-up members until December 31, 1822. Though a material diministration, the design is considered very important in spion circles, as it will have a direct saring on a membership drive now inder way throughout the state. It will not affect the representation of Presson at the national convention, as hat will be based on the state membership on September 36.

Joe Mielke, Chronic Violator of Dry Law, Helps Pay Cost of Law Enforcement.

"It costs about \$50 a day to run Thursday toid Joe Mielke, after the jury had found him guilty of having liquor in his possession. Mielke had appealed the case on a \$200 fine given him by Municipal Judge Rossman. "Consequently we'll add that \$50 onto your fine so the county will not be out any money," the judge said in completing the sentence.

Mielke was arrested some time ago MONED TO COURT.

Penalties Hereafter to Be Inflicted Regardless of How Trivial Offense Is Considered.

That the city means business in its new parking regulations and that yiolators, regardless of how trivial the violations are, will answer for her carelessness was impressed on file persons on the first day after the ewe law had been put into effect, according to the taily of arrests disjunged by Traffic Referee P. R. Johnson and William Kelly yesterday.

Parking in prohibited districts resulted in 112 arrests, 124 were summoned for parking more than six hours at night, ten for parking in front of a promess. Although termed arrests they were morely summonses, which carried warnings but no fines. The violators of the first day will, however, be known that the first day will, however, be fired if they are found careless as of the first day will, however, be known that the first day will, however, be fired if they are found careless as of the first day will, however, be known that the first day will, however, be fired if they are found careless a woonned for parking in careless as the will select the case on a \$209 first baby daughter, Mary Louise, born has pleaded the case on a \$209 first baby daughter, Mary Louise, born his papealed the case on a \$209 first baby daughter, Mary Louise, born his papealed the case on a \$209 first baby daughter, Mary Louise, born his papealed the case on a \$209 first baby daughter, Mary Louise, born his papealed the case on a \$209 first baby daughter, Mary Louise, born his papealed the case on a \$209 first baby daughter, Mary Louise, born his papealed the case on a \$209 first of the protein fary louge Research and spealed the case on a \$209 first of the protein fary Louise, born him by Winchesl 104 first course of the county will he house, will be not your first and that the first day will be hosters and alumnae of the circuit court would not find him the will be one the circuit court would not find him the will be one than \$200 first and the circuit court would not find him the wil
