APPRAISERS UP TO BOARD

Total of 4716 Applications Are Received at Headquarters Up to Last Night.

SALEM, Or., Sept. 22.—(Special.)—
Out of approximately 24,000 ex-service men and women eligible for war benefits in Oregon, only 4718 had filled applications up to last night for loans and cash bonuses under the so-called state aid act passed by the legislature at its 1921 session and made operative through a favorable wore of the electorate at a special election last June.

Of the total applications received

Of the total applications received at the offices of the world's war veterans' state aid commission, 2330 sought loans, while 2382 of the applicants asked for the cash bonus. At the time the special election was held to authorize the issuance of bonds to put the bonus law into operation. bonds to put the bonus law into operation it was the general opinion of ex-service men that not less than 65 per cent of the applicants would express a preference for the loan. Ability to stand the strain of work is the privilege of the strong and healthy, but how our hearts ache for the weak and sickly women struggling with their daily rounds of household duties, with backaches, headaches, nervousness and almost every movement brings a new pain. Why will not the mass of letters from women all over this country, which we have been publishing, convince such women that Lydia E.
