### OIL NOW GREAT RESOURCE

Other Important Interests and Assets Contribute to Wealth of Lone Star State's Metropolis.

BY RICHARD SPILLANE. (Copyright by the Public Ledger company Published by arrangement.)

Published by strangement.)

HOUSTON, Tex., Oct. 20.—(Special.)

—Once Houston's interests were centered largely on cotton, cattle, wheat and lumber. Now they include oil, sulphur, sait and ships.

The city is the center of a great oil producing region and if it did not have enough to draw upon in the West Columbia. Blue Ridge, Goose Creek, Humble and various other fields that of the Mexia district has fields that of the Mexia district has been added lately. Like Los Angeles, Houston has made a port for itself. It had in Buffalo bayou a waterway that light draft vessels could navi-With the aid of the government it has deepened and widened this stream and today ocean-going craft can come up to the turning basin within the city limits.

For eight miles along the 50 miles of available water frontage the ship channel is dotted with warehouses and wharves, cotton compresses, oil refineries, grain elevators and vari-cus industrial establishments. There are oil pipe lines and pumping sta-tions and tank farms galore. Of oil refineries alone there are 11.

short and the oil business is slow. There is no doubt about the ship channel being of great potential possibilities and of the probability of the development of many industries along its banks.

The oil refineries draw not only oil to from the Texas fields, but from the 5

Mckaon carwheel factory, two brass oundries, a lot of lumber mills, some furniture works, mill shops, tool and machine plants, tin and sheet metal factories, etc.

It is the opinion of Houston people that despite the general degression and particularly that in oil, their city suffered less than any other section 45 per cent of the oil wells being erated today compared with

fluences are for higher prices for oil and that we are on the way to real

Hankers report money easier and savings bank deposits increasing. What is more, borrowers are not asking for renewals of loans. Frozen credits had been thawed out generally and the financial institutions make a splendid showing today.

## INMATES' RELEASE ASKED

Parents Seek to Win Four Children From Home for Feeble-Minded.

SALEM, Or., Oct. 20.—(Special.)— Frank Councilman and Isabelle Coun-cilman of Lane county have file habeas corpus proceedings in Marion county circuit court to obtain the release of their four children who are now inmates of the state home for the feeble-minded. The ages of the children range from 11 to 15

The complaint sets out that on No-The complaint sets out that on No-yember 24, 1920, the children were committed by the juvenile court of Coos county to the Boys' and Girls' Aid society of Portland. Later they were transferred to the state insti-tution. The parents of the children optend that they never signed ar order, nor had they consented to have their offsprings committed to the home for the feeble-minded. The writ was directed to Dr. J. N.

Smith, auperintendent of the home for the feeble-minded.
