FOR SALE—AUTOMOBILES.

COVEY MOTOR CAR COMPANY.

USED CAR MESSAGE.

Necessity is back of this policy. Approximately 80 per cent of our business layelves a trace.

To dispose of the used cars taken in as fast as we can take them in is absorbed; becomes any.

Without repard to cost or profit we are rebuilding, refinishing and guarantesing the used cars we sell, so as to set up the highest unit value. Prices on these better cars are always as low as others are asking for ordinary "as is meschandles and much lower than will unually be found in anything of comparative value. FOR SALE-AUTOMOBILES

usually be found in anything of comparative value.

Although undoubtedly the customer
seems to benefit most through buying
cars from us under this plan, we wish
to make it quite emphatic that we are
more than satisfied to look for our reward in the sale of the new cars that
this used car poley makes nossible.

TURNOVER IS WHAT WE ARE SEEKING. VALUE IS WHAT WE ARE
SEEKING.
Our gain is mutual if we meet.
We both lose if we don't.
