# TO AVERT STRIKE

No Settlement Plan to Be Offered, However.

# UP TO FACTIONS

by Labor or Railway Chiefs, Declaration.

# UNIONS STILL GET READY

Will Not Be Put Off, but Can Be Prevented.

CHICAGO, Oct. 24 .- (By th Associated Press.)-The railroad labor board does not intend to present any plan for settlement of the ailroad strike situation when the 1600 union and carrier chiefs convene with it Wednesday in response moned. to its citation and any such proposal must emanate from labor leaders or the railroad heads, board members license number of the car. declared tonight.

Board members explained that the hearing technically is to deternine if the transportation act has been violated and that they had decided at informal meetings that the board's province was merely to carry out the provisions of this act. SENATOR although it would take any steps a clearing up of the crisis.

## Settlement Hope Held.

The board also formally an nounced that "there was great hope United States senator from Arizona, for settling the strike," that all of was returned by the federal grand the 1400 union men and the 165 rail heads summoned must attend every session and hired the Collseum scene of many great gatherings, for the hearings, which will be open to perjury, according to the entry. the public.

From the labor side came anlimiting prospective strikers to 475,- against him in Arizona, but he undermen, engineers, firemen and telegraphers and increasing the number them not to walk out to about charges if brought formally. 1,500,000. The 75,000 railroad to legraphers apparently were definitely committed to a strike, when E. J. Manion, their president, anno intention of changing the decision of these men to support the "big five" in the walkout scheduled for October 30.

# Railway Chiefs Warned.

Information that the labor board with any specific plan came after an announcement from the board that as defendants. the presidents of the big four strike could not be postponed, alalso declared the rail crisis was unchanged.

The message from the brother hood chiefs was looked on by board members as significant in view of the fact that they have not been backward in letting it become Girl Students at Radeliffe Prefer known that they expect the hearing to drag out for some time and are depending on the union chiefs to obey their order not to permit a strike pending a decision from the cliffe college than the women's pages. conference. This decision, they Ninety-six per cent of the 600 stusaid, undoubtedly would not be ren- dents have been found by a census to

## dered until after October 30. Judge Barton May Speak.

It was explained at the board's would be opened with a statement from Judge R. M. Barton, chairman, telling why the conference was called and outlining the board's desire for further information. The board then will ask both sides to HARDING TO VISIT SOUTH present statements, following which board members will begin cross-examination of both rail and union chiefs, it was said. It is hoped, in this way, members explained, that some ground for agreement automatically will be brought out without the board attempting to offer any specific plan.

One member today said that it Camp Benning and Atlanta, Ga. was likely, in view of the board's orders that all of the 1600 chiefs must attend every session, that a daily rollcall would be held, and that such procedure undoubtedly would take considerable time.

Night Sessions Slated.

The board also plans, it was said, mightly executive sessions, thus taken from deputy sheriffs today by making an early adjournment nec(Concluded on Page 2, Column 3.)

Later his body was burned.
