## TAX BODY ATTACKS \$50,000 SCHOOL ITEM

Sewer, Street and Sidewalk Project Is Hit.

REQUEST HELD ILLEGAL

Excess of 6.5 Mills Assessment Criticised at Meeting of Conservation Commission.

An item of \$50,000 for sewer, street and sidewalk construction at various schools in the city, which was included in the school budget over and above the 6.5 mills provided by law to take care of current ex-penses plus the sum for caring for bonded indebtedness, frew the fire of the fax conservation commission at the hearing on the budget at the courthouse yesterday afternoon.

Fred W. Mulkey, chairman of the commission, announced that the \$50,000 addition to the levy was not leave to his outside.

legal, in his opinion. School Cierk Thomas informed the mmission that authority for the opposed item was given the school and by the district attorney in an

taken care of, the foreign element might become a menace.

School Clerk Thomas informed the commission that there would be no unincumbered balance in the building fund of the district at the close of the year. He said that if any building the year is the year was done during the coming year long was done during the coming year. the year. He said that if any building was done during the coming years it would be necessary to go to the taxpayers and get a special levy R. L. Sabin, member of the commission, told the school board that it was the duty of that body to conduct the schools according to the law and that it was for the taxpayers to furnish the money. He said, how ever, that when the taxpayers spoke on the question of finance that was

All Possible Cuts Made. "It is the duty of the school board

on the question of finance that was

"It is the duty of the school board to make the best of what they have, he said. "If the district does not see fit to put up money for buildings, very well, don't build."

That the school board has done everything possible in cutting down expenses to the minimum was the declaration of Frank L. Shull. He said that the expenses for the last three years had been taken into consideration in fixing the budget and that 20 per cent had then been dethat 20 per cent had then been deducted from that. "We will have 2500 new pupils for next year," he said. "This will re-quire 75 additional rooms. We will

quire 75 additional rooms. We will have some portables available as a result of the completion of new buildings now under way but not sufficient to take care of the increase."

A. C. Newill declared that expenses of conducting the Portland schools had been cut lower than the continuation. had been cut lower than the cost in any other city of this size in the

Other Matters Considered.

Various other matters relative to the conduct of the schools were con-sidered including the method of pay-ing janitors and the distribution of the seven automobiles and three trucks, owned and operated by the school board. Mr. Shull expressed the school board. Mr. Shull expressed the belief that something could be saved by a revision of the janitor's pay inassmuch as the present scale was inaugurated two years ago when wages were higher.

In a discussion of the malaries paid teachers Superintendent Grout declared that the scale of pay here was lower than in other cities of a smaller size in the west. He said that as a

size in the west. He said that as a result Portland had been losing teachers to Seattle, Oakland and Los question was raised as to

whether it would not be possible for the district to take care of the proposed street, sidewalk and sewer im-provement by bonding. Both Mr. Mulkey and School Clerk Thomas expressed the belief that this would a not be legal. Mr. Thomas asked that the comm's-

sion investigate the manner in which money was paid over to the board and other institutions of the city by the sheriff.

Finance Method Discussed.

He said that only last week the sheriff turned over \$840,000 to the school board. But a day or two previous to that time, he said, the dischool board, and to herce woney to take care of current expenses. If this sum or a certain amount of it had been turned over as accumulated, he said, the board would not have been put to the additional inconvenience

put to the additional inconvenience and expense of borrowing.

The budget submitted by the school board provides for raising a total of \$4.031.522. Of this amount \$109.245\$ was to take care of the debt account and the proposed construction of street, sewer and sidewalk improve-ments, the item questioned by the commission.

commission.
School officials explained that this School officials explained that this total amount is nearly a million and a half less than the money used during the current year, taking into consideration the \$1.117.937.28 which was raised for building purposes. Of this latter, sum, \$915.590 was raised by a special levy, \$134.956.47 was taken from the insurance fund and \$67.470.81 was made available for building purposes from other funds.

## Pimples and boils are signs of lowered vitality

A familiar food now used to correct them

IMPLES and blackheads (acne) and boils are often the signals of a falling off in health. "A bad acne may indicate profound debilwrites a physician connected with a number of leading New York hospitals, and "the repeated occurrence of boils should always be looked upon as an indication of lowered vitality."

It has been found from actual clinical tests that remarkable results are obtained in treating these complaints with Fleischmann's Yeast.

Today Fleischmann's Yeast is everywhere recognized as a valuable "conditioner." It is a fresh food which supplies in rich quantities the newly discovered vitamine known to be lacking from many of our foods. It thus corrects lowered vitality which is so often the underlying cause of these minor ailments.

To protect themselves against these complaints many are making Fleischmann's Yeast a part of their regular diet. It is a highly digestible food assimilated like any other fresh food. You will like its fresh, distinctive flavor and the clean, vholesome taste it leaves in your mouth.

Eat Fleischmann's Yeast before or between meals-from two to three cakes a day. Only one precaution: if troubled with gas dissolve yeast first in very hot water. This does not affect the efficacy of the yeast. You will like Fleischmann's Yeast spread on toast or crackers, dissolved in milk or fruit-juices, or just plain. Place a standing order with your grocer for Fleischmann's Yeast and get it fresh daily.

Send 4 cents in stamps for the interesting booklet, "The New Importance of Yeast in Diet." So many inquiries are coming in daily for this booklet that it is necessary to make this nominal charge to cover cost of handling and mailing. Address THE FLEISCHMANN COMPANY, 314 Bell Street, Seattle, Washington.

To clear the skin

Treatment with Fleischmann's Yeast has proved very successful in clearing the skin of impurities and blemishes.

In 17 cases of pimples and blackheads treated in leading bos-pitals Pleischmann's Yeast brought about improvement or cure in periods of time ranging from 1 week to 2 months. The same good results were seen in 8 cases of red, blotchy faces, and in 16 cases of boils the oure was remarkably quick. In soute cases be
