COUNTS ORIGINAL 12 POINTS.
We are handling Dodge Broa. motor cars and the Cadillac.
Two of the most popular new cars on today's market.
Approximately 50 per cent of new car any controlled by used-cars sites.
Used cars traded in are of necessity purchased at very low figures.
We must dispose of these used cars with the least possible resistance.
Good value and satisfactory cars only can produce this low resistance.
We rebuild and refinish used cars to make them satisfactory.
These better cars must under-price all local competition.
Begardless of cost or profit we follow indeed cars than these sates are not possible.

Better cars than these are not possile.

Lower prices are not prohable.
Special saies are not competitive.
Your friends are entitled to this infornation. Tell them.
