Will Life Be as Good to You? The man whom success has touched with her magic wand shrewdly fortifies his fortunes with good health. Wise business-men know the cash value of a healthy mouth; they take good care of their teeth. Pyorrhea strikes four out of five past the age of forty and thousands younger. If you would pass the noon of life and go down the sunset trail vigorous and strong, watch your gums! At the first sign of tenderness or bleeding, take heed. That is Pyorrhea's warning. If this disease gets beyond control your teeth are doomed. As Pyorrhea gains headway the teeth loosen at the roots, drop out or must be pulled; pus pockets form; deadly germs seep, seep, seep throughout the system. If you would prevent Pyorrhea, consult your dentist regularly and brush your teeth with Forhan's For the Gums. Forhan's will prevent Pyorrhea, or check it in its course, if used consistently and used in time. But don't wait! Start using Forhan's now. Forhan's For the Gums is the scientific formula of R. J. Forhan, D. D. S. It is an excellent dentifrice, keeping the teeth white and clean and the gums firm and healthy. Brush Your Teeth With Forhan's—How to Use It. Use it twice daily, year in and year out. Wet your brush in cold water, place a half-inch of the refreshing, healing paste on it, then brush your teeth up and down. Use a rolling motion to clean the crevices. Brush the grinding and back surfaces of the teeth. Massage your gums with your Forhan-coated brush—gently at first until the gums harden, then more vigorously. If the gums are very tender, massage with the finger, instead of the brush. If gum shrinkage has already set in, use Forhan's according to directions, and consult a dentist immediately for special treatment. 35c and 60c. All druggists. Formula of R. J. Forhan, D. D. S. Forhan Co., New York Forhan's, Ltd., Montreal. BETTER THAN A MUSTARD PLASTER. OLD-TIME COLD CURE—DRINK TEA! Get a small package of Hamburg Brest Tea at any pharmacy. Take a teaspoonful of this Hamburg tea, put a cup of boiling water upon it, pour through a sieve and drink a teaspoonful at any time. It is the most effective way to break a cold and cure grip, as well as the most relaxing and refreshing. Also loosens the bowels, thus breaking a cold at once. It is an inexpensive and entirely vegetable, therefore harmless—Adv.
