PORTLAND, Ore.—Dear Madam Richet: I have just purchased a new serge dress like the enclosed sketch. It has short sleeves, but I want them made long. Can you suggest how we could make an addition to them? I thought of crepe de chine and dark blue, but the color goes with the dress. What style of sleeve could be used so that they would not look bad? Thanking you, M. B. K.

M. B. K., Walla Walla, Wash.—I need you could have the strips on your sleeves and better of satin or grosgrain ribbon with the pointed edge using the same for your tight wrist cuff or band having it double and placing the ribbon sleeve ends between, thus making a durable and neat finish; use a snap-on fastening on wrist band. There is also used on a dress of your type a lower sleeve of contrasting shade of georgette, the outer edge being cut in a perfect square, the center having the sleeve opening and sewed inside the upper sleeve giving a graceful rippled effect.

PORTLAND, Ore.—Dear Madam Richet: I have just purchased a new serge dress like enclosed sample and intend to embroider an allover pattern on panel front and back of waist. Will you suggest a good color scheme of about three colors and what material should I use? Read The Oregonian classified ads.

HEIFETZ RETURN CONCERT. Seats are selling at the Heifetz theater for the return concert of Heifetz Wednesday evening, direction Steffen & Conan. This is probably the last chance to hear Russia's wizard violinist for some time, as other countries are eager to hear him, and Europe will keep him on the other side for many years. Some Figures published for the benefit of gas consumers. With summery sunny weather almost any gas-appliance will suffice to take off the morning chill.

Now that cold weather has come, you want your home warm. It would be unsafe for your family to have to live in an under-heated house.

Therefore, the following figures should be borne in mind in all installations of gas appliances (no matter what make), provided of course that they are scientifically built and fully efficient:
