BENEATIONAL SEASON'S CLEAN-UP SALE OF USED MOTOR CARS NOW IN PROGRESS.

Save by Buying Now. Prices Have Reached the Bottom of the Market. COVEY SAYS:

The public refuses to become excited over red ink and flashy hendlines—they want facts—they have no interest in mere claims—they want cut prices. Tell them that we understand a sale to mean real cut prices and that a sale with us must be just what it seems. HERE ARE THE FACTS:

Our used car volume absolutely controls our ability to accept trades on now car business. When our used car business slews down, our new car business is seriouly affected and we can better afford to give the public the benefit of or accumulated used car stock at a great deal less than cost, than we can is hold it until early spring, when we feel that the used car market will be better, and is the meantime deprive ourselves of new car business because of our lumblitty to trade. HERE ARE THE PRICES AND THE PROOF.

We feel that the public is skentical re arding sales and especiationoble sales. Used motor cars in standard of value no list price new cars, so, in fact, it is difficultiell when the prices are actually. In order to prove to the best of ability that this is a genuine cut-pasie, we had reproduced in our oris ansouncement, copies of which are display at our place of business, of our former classified advertisem one of October 9, and the other of vember 12, which show the level prices a which we have sold T1 cars during the last 90 days, as as the prices we have reduced to for this sale.

All ward Caddinars will be sold at

All used Cadillacs will be sold at a ductions proportionately as great those sto-n in our advertisemen Undoubtedly this is the logical time buy one of these desirable care.
