of ' USED AUTOMOBILES

Automobiles that have been re-ilt or renewed are in the best mechanical condition—they are so warranted the same as fac-ries warrant new cars. In ad-tion, we give 30 days free medition, we give 30 days free me-chanical service.
Other makes of used automo-biles, thoroughly overhauled, put in first-class condition and sold with a ten days free trial, subject to being returned and full credit given on any other car of equal price that customer may select.
This gives ample time for every purchaser to try out the car he buys, gives him time to have it inspected, and we want only sat-isfied customers.

SENSATIONAL SEASON'S CLEAN-UP SALE OF USED MOTOR CARS NOW IN PROGRESS.

FOR SALE-AUTOMOBILES.

Save by Buying Now. Prices Have Reached the Bottom of the Market. COVEY SAYS:

The public refuses to become excited over red ink and flashy headlines—they want facts—they have no interest in mere claims—they want cut prices. Tell them that we understand a sale to mean real cut prices and that a sale with us must be just what it seems.

HERE ARE THE FACTS:

Our used car volume absolutely controls our ability to accept trades on new car business. When our used car business slows down, our new car business is seriously affected and we can better afford to give the public the benefit of our accumulated used car stock at a great deal less than cost than we can to hold it until early spring, when we feel that the used car market will be better and in the meantime deprive ourselves of new car business because of our liability to trade.

HERE ARE THE PRICES AND THE PROOF.

THE PROOF.

We feel that the public is very skeptical regarding sales and especially automobile sales. Used motor cars have no standard of value, no list price like new cars; so, in fact, it is difficult to tell when the prices are actually cut. In order to prove to the best of our ability that this is a genuine cut-price sale, we had reproduced in our original announcement, copies of which are on display at our place of business, two of our former classified advertisements, one of October 9, and the other of November 12, which show the level of prices at which we have sold Ti used cars during the last 60 days, as well as the prices we have reduced them to for this sale.

All used Cadillacs will be sold at re-

to for this sale.

All used Cadillacs will be sold at-reductions proportionately as great as those shown in our advertisements. Undoubtedly this is the logical time to buy one of these desirable cars.

Most of our cars are Covey rebuilt and guaraficed; some are high-grade "AS IS" cars. All are priced so low as to demand immediate action. This sale will cause us great financial loss, but all we sak is that through your quick response to our call, you profit in equal proportion. By all means, take advantage of this opportunity—let nothing interfere with this chance to get real Covey Motor Car company merchandles while on sale at such astounding reductions.

SALE NOW IN PROGRESS. Bring Small Cash Payment With You. Long Terms on the Balance.
