CUT FOR 1022 IS \$3.20 FOR EVERY \$1000 ASSESSED.

Multnomah county taxpayers will dig up \$41.50 in taxes during the coming year for every \$1000 in assessed valuation of property, com-pared with \$44.80 paid during 1521. pared with \$44.80 paid during 1821.
The decrease is in spite the fact that the valuation of property within the county has decreased approximately \$14,000,000, with the corresponding necessity for increasing the millage on the valuation remaining to absorb the depreciation.

Hiarm U. Welch, county assessor, amounced yesterday the final companions of the county assessor, as no considered the second control of the county assessor, as no considered the final companions of the county assessor. Harm U. Welch, county assessor, announced yesterday the final compliation on which collections during 1922 will be based from budgets submitted by the tax supervising and conservation commission. The figures show that the milinge dropped 4.2 milis under the total collected during the last year, and the total sum to be collected from \$14,556,295.52 to \$12,985.022.24.

be collected from \$14,556,295.82 to \$12,985,022.24.

The heaviest drop is in the amount required for the operation of school district No. 1 during the next 12 months. Last year \$5,111,686.74 was apportioned to the schools, compared with \$2,936,503.09 to carry on during the coming pear, a cut of \$1,075,183.65.
This decrease was made possible when the special building tax was voted down last fall.

City requirements under the new
