

### AGGIES SLAUGHTER

#### ARLETA FIVE, 54 TO 5

#### Losers Handicapped by Loss of Two Stars.

### ARGUMENT SPOILS FRAY

#### Amateur Standing of Durno and Williams Questioned—Wrangling in Middle of Play.

Minus the services of Eddie Durno and Denny Williams, whose eligibility had been questioned by A. D. Wakeman, chairman of the registration committee of the Amateur Athletic Union here, Arleta played a pick-up team against the Oregon Agricultural college basketball five Monday, and the result was a slaughter. The Aggies won, under straps, 54 to 5.

The game was played on the Franklin high school gym floor before just a fair crowd. Before the game the Arleta athletes registered with the Amateur Athletic Union, thereby making it possible for the Aggies to play them without losing their own amateur status.

**Argument in First Half.**

In the middle of the first half, however, a hot argument arose over the action of Ray Brooks, the Arleta manager, in attempting to substitute Eddie Durno for Liebe at forward. Durno is the player who starred for many seasons for the University of Oregon, but whose eligibility for this game was disputed by the Amateur Athletic Union on the ground that as an employer in the physical education department at the university, he is a professional athlete and hence not qualified to play against amateur teams.

Coach Rutherford of the Aggies promptly disputed Arleta's right to play Durno. Brooks insisted. After several minutes of wrangling, Rutherford called his players off the floor and started with them to leave the gymnasium. Then Brooks capitulated. Previously the Arleta coach had promised Arleta a return game, and Brooks said that if this promise were kept, which Rutherford assured him would be the case, Arleta would not play Durno. Then the game proceeded, but with the spectators badly disgusted at the nature of the interruption.

**Game All Aggies'.**

There was nothing to the game but the Agricultural college team. Arleta did not make one field basket. There were many fouls on both sides and all Arleta scores came from free throws.

About the only feature was the center work, best hand throwing of the lanky Hjelle, a youth who towers about six feet six, with a reach in proportion, and the guarding of Richards, both of O. A. C. Hjelle made 24 points. Stinson, the Arleta captain, scored 14 points. The line-ups:

Oregon Aggies (54) Arleta (5)  
Stinson (14) Hjelle (24)  
King (5) Liebe (2)  
Richards (10) Bjork (2)  
Rosa (2) (6) Kulkana (2)  
Farnley (5) Farley (5)  
Kilgus (1) East (1)  
Loman (1) Murr (1)  
Perry (1) Blake (1)  
Ryan (1) Johnson (1)  
Harty Fisher, referee.

**Franklin Wins Preliminary.**

Franklin high school won the preliminary game against the Beal fifth intermediates. The score was 21 to 15. The high school boys took the lead early and were never headed. Neither team showed any real basketball during the game, which was slow and uninteresting. The line-up:

Franklin (21) Beal (15)  
Seaton (2) Kelley (2)  
Nemine (2) Sheld (2)  
Butler (2) (6) Klippel (2)  
Blank (2) Walker (2)  
Knepp (2) Gumbert (2)  
Spare (2) East (2)  
Referee, Foulser.

### WHITMAN HOOPERS TRAIN

#### MEN TO PRACTICE DURING CHRISTMAS VACATION.

#### Loss of 3 Lettermen Causes Coach to Try Various Combinations in Tossing Lineup.

WHITMAN COLLEGE'S WALLA WALLA, Wash., Dec. 20.—(Special)—With Whitman to start conference basketball playing the first week of January, candidates for the first team will have no Christmas vacation. For the next two weeks night workouts will be held in the Whitman gym in an effort to whip together a team for the southern trip into Oregon.

Oregon, Oregon Agricultural college, Willamette and the Multnomah club will be played on the trip.

Lack of practice will be a big handicap to the Missionaries in their first games. Various combinations are being tried by Coach Bocke, because three of last year's letter men have been lost. Indications are that the team will be fast, but entirely lacking in weight and size.

Captain Rich, chosen last year as all-northwest forward, is again going strong. Craig Bohm, a freshman and member of Yakima's 1921 championship team, is bidding for the other forward, while Maurice Roe, York and Gurian also are competing.

Lack of a center will be a powerful handicap. Knudson, last year's center, may not be eligible, and Clem Penrose and Bill Chandler, candidates for the position, are both light and lacking in height. Schroeder, Comrada, Leander and Nat Penrose are out for the guard berths.

### BILL GRIMM BACK IN SCHOOL

#### Brother of Polly and Warren Also Washington Grid Star.

SEATTLE, Wash., Dec. 19.—(Special)—Bill Grimm is back in school. He is the third member of a family which has long been famous in Washington football history.

The return of the brother of Polly and Warren will be received with rejoicing by followers of Washington football. Heavy, fast and a smart football player, Grimm will be an anchor to which Coach Bagshaw can fasten next year's line. As good a judge of football material as Gil Doble paid Grimm the following compliment:

"There's one of the best football players I ever looked at. His two brothers, who were plenty good enough, had nothing on him."

And Doble had seen a lot of stars come and go when he spoke those words of praise.

Weighting well over the average, even for a lineman, Bill Grimm has speed as well. He obtained the distinction of being the first western man who ever got a rise out of Walter Camp. Walter heard so much

about the western giant that he put him on his second team, and that in itself meant that Bill was good enough for any All-American. Grimm received this honor in the days when Camp and the rest of the eastern sharpshooters thought the football world was bounded on four sides by Canada and the Mason-Dixon line, and by the Atlantic ocean and the Rocky mountains.

### Santel Throws Mondt.

BOISE, Idaho, Dec. 19.—Ad Santel of San Francisco, light-heavyweight wrestler, tonight defeated Joe (Toots) Mondt of Denver, two falls out of three. The struggle held alone was barred. Santel weighed 185 and Mondt 210 pounds. Before the United States district court here today Santel was denied citizenship because of failure to prove that he had been a citizen of Idaho continually for one year.

### PECKINPAUGH IS TRADED

#### SHORTSTOP AND OTHER YANKS GO TO RED SOX.

#### New York Americans Get Joe Bush, Sam Jones and Everett Scott in the Exchange.

NEW YORK, Dec. 20.—The management of the New York American league team announced late today that the club had traded Pitchers William Piercy, Rip Collins and Jack Quinn and Roger Peckinpaugh, shortstop, to the Boston Americans in exchange for Joe Bush and Sam Jones, pitchers, and Everett Scott, shortstop.

No cash consideration was involved in the deal, it was said by Colonel Jacob Ruppert, part owner of the Yankees.

The need of strengthening the Yankees' infield staff in the acquisition of veterans, such as Bush and Jones, was made impressive during the last world's series at Cleveland. Quinn is a veteran while Collins and Piercy are youngsters. Piercy was deprived recently of his world's series money and suspended until May 20 by Commissioner Landis for participating in the barnstorming tour for which Babe Ruth was also suspended.

### SKATING SCHEDULES MADE UP

#### National, International and Canadian Events Announced.

CHICAGO, Dec. 20.—Schedules for national, international and Canadian skating events for the 1922 season were announced by the International Skating Union. Dates have been arranged that skaters may participate in practically all events without conflicts.

The Canadian outdoor championship will be held at St. John's, N. B., January 18 and 19, while the national outdoor championship is scheduled for Plattsburg, N. Y., on January 24, 25 and 26.

The international outdoor championship event will be run off on Saranac lake, New York, January 31 and February 1 and 2.

The diamond medal competition in which only point winners in either the national or international events are eligible, is scheduled for February 9, 10 and 11, at Lake Placid, N. Y. The western championship event goes to Chicago January 15.

The international indoor championship event will be held at Milwaukee early in March, and Cleveland and Pittsburgh will divide the national indoor championship event for which the Victorians and Olympians, other entrants have last their games.

A basketball tournament will be played Thursday night in the gym at 7 o'clock and is free to the general public. The first game will be between the Olympians and Victorians, and the second game between the Iroquois and Colonials.

# A message from Mr. Gato

"THERE are so few brands of really Clear Havana Cigars made that you can almost count them on the fingers of one hand. Of these GATO has been one of the best known for fifty years—hence the name, 'GATO-1871.' On my recent trip out west I found thousands of men (accustomed to smoking the best Havana Cigars) resenting the war-time prices. I decided then and there to remove this barrier instantly, rather than wait for a gradual decline. Therefore we have dropped our prices to the bottom at a single stroke!"

EDUARDO H. GATO, Jr., Vice-President.

## Gatos now back to Pre-war Values

Mr. Gato says further: "Gato is now, without question, the greatest 2 for 25c All Havana Cigar. The same wonderful values apply to other Gato sizes. The quality is perhaps more dependable than others because my father and my brother are permanent residents of Cuba, have their own plantations and mature the leaf for years to make it mild."

"Our factory, where only Cuban workmen are employed, is at Key West, seven hours by water to Havana."

Gatos are wonderfully mild and mellow, supreme quality, 100% Havana Leaf through and through.
