TAX CUT AIDS SHIPPERS

Elimination of War Levy Declared to Amount to Millions.

That the elimination of the war tax on railway freight and passenger transportation, relief from which will begin January 1, will save millions of dollars to the shippers and travelers of the northwest was the statement of H. E. Lounsbury, general freight agent of the Union Pacific.

Mr. Lounsbury said yesterday that he had had compiled the amount of taxes collected on freight and passenger service for a year for the Union Pacific system only. The figures showed only the tax paid to the Union Pacific for the mileage on that system as far as the system carries. On freight in a year the tax collection has been $4,500,000. On passenger travel the tax has been $3,000,000. All of this money went to the government. It will now be saved the shipper and the traveler.

In some parts of China horses are shod with straw shoes, and hundreds of Chinese obtain a living by collecting the castoff shoes on the highways.
