FOR SALE—AUTOMOBILES.

OUR SALE A REAL SUCCESS.

Would you be interested to know that the used car sale now in progress at the Covey Motor Car Company plant is really a success—a success from the buyer's standpoint and a success from our own standpoint? We have actually sold during the first 12 working days of this sensational season clean-up sale 35 motor cars, ranging from Cadillacs and Packards to Fords and Chevrolets.

Save by Buying Now—Prices Have Reached the Bottom of the Market.

COVEY SAYS:

The public refuses to become excited over red ink and flashy headlines—they want facts—they have no interest in mere claims—they want cut prices. Tell them that we understand a sale to mean real cut prices and that a sale with us must be just what it seems.

HERE ARE THE FACTS:

Our used car volume absolutely controls our ability to accept trades on new car business. When our used car business slows down, our new car business is seriously affected and we can better afford to give the public the benefit of our accumulated used car stock at a great deal less than cost than we can to hold it until early spring, when we feel that the used car market will be better and in the meantime deprive ourselves of the new car business because of our inability to trade.

HERE ARE THE PRICES AND THE PROOF:

We feel that the public is very skeptical regarding sales and especially automobile sales. Used motor cars have no standard value, no list price like new cars; so, in fact, it is difficult to tell when the prices are actually cut. In order to prove to the best of our ability that this is a genuine cut-price sale, we had reproduced in our original announcement, copies of which are on display at our place of business, two of our former classified advertisements, one of October 9 and the other of November 12, which show the level of prices at which we have sold 71 used cars during the last 60 days, as well as the prices we have reduced them to for this sale.

All used Cadillacs will be sold at reductions proportionately as great as those shown in our advertisements. Undoubtedly this is the logical time to buy one of these desirable cars.

Most of our cars are Covey rebuilt and guaranteed; some are high-grade "AS IS" cars. All are priced so low as to demand immediate action. This sale will cause us great financial loss, but all we ask is that through your quick response to our call, you profit in equal proportion. By all means take advantage of this opportunity—let nothing interfere with this chance to get real Covey Motor Car Company merchandise while on sale at such astounding reductions.
