Salvaging and Reconstruction of South Bay Structure Planned.

MONTESANO, Wash., Dec. 26 .-(Special.)-A contract for the salvagng and reconstruction of the South Hay bridge has been awarded by the county commissioners to Ward & Ward of Tacoma, on the company's bid of \$11,300. The company also will build new approaches at an additional cost of \$2530. A feature of the contract will be an indemnity of \$20 a day to be paid by the company for every day after March 1 the bridge is not ready, and a bonus of \$20 a day to be paid by the county for every day before March 1 that the bridge is ready for truffle. It is estimated that the cost of the present temporary ferry is between \$20 and \$25 a day. Other bids received today ranged up to \$14,000 for the bridge

The successful bidders plan to assemble the span at Hoquiam and float it into place on scows. They believe that much of the old bridge can be salvaged.
