the heart of the constitution.

The verities of history will not permit to go unchallenged the state-ment printed in the advertisement of a well-known undertaking establishment in The Oregonian vesterday that an event dated in 1854 occurred "seven years before The Oregonian began publication." The first num-7.67 caught. Its recommendation that bear of The Oregonian, as a matter of fact, was published on December 4. vigorous and unrelenting war on the main conspirators, waged by local, mountains and the Pacific ocean.

gon City on February 5, 1846; the Free Press, of Oregon City, first issued in March, 1848; the American-Unionist and Evangelical Messenger, The Corvailis Gazette-Times finds printed at the home of the Rev. John S. Griffin, near the present site of Hillsboro, in the Tualatin taxes made by Earnest Teightwod, founded by Lot Whitcomb, who was heavily interested in Milwaukie, a promising rival of Portland and Oregon City for metropolitan honors. The establishment of The Oregonian was due to the faith of the early builders of Portland in the future of their town-a faith which events have proved not to have been misplaced. It was first printed on press formerly utilized at San Francisco by the Alta California, of historic memory, and it is a fact of chanical equipment this press was employed in printing the first newspaper in the region which is now the state of Washington. This was the Columbian, founded Olympia on September 11, 1852, chiefly as an advocate of the creation of a separate territory north

and west of the Columbia river. The Star, which was removed from Milwaukie to Portland in June. 1851, changed its name to Oregon Weekly Times and was the second was the Daily News, not Daily Joursons and daughters are grown and nal, which appeared on April 16, 1859, and lasted about a year. Two fore The Daily Oregonian was issued for the first time on February 4, 1861, and thereafter, as students of Oregon history know, it has continued without interruption.

## Tea Leaves.

By Grace E. Hall,

The cup is drained of its amber The lights at the board grow dim.
And tea leaves cling to the thoughts
I think As they cling to the china rim.

And old Cathay is a block away—

With mystery full to the brim.

The amber drink and its aftermath Of visioning clarity-They carry me far on a sunit path.
In a garden that's fair to see;
And I watch quaint maids where the
bambon shades The land of the tamarind tree,

The tea leaves cling to the chara rare And are mute with the dreams I dream, For I speed queer ships from a mil-

lion silps
To the lands I have never seen:
And a leaf of tea is a craft to me.
A-sail on a shoreless stream.

### In Other Days.

Twenty-five Years Ago.

rom The Oregonian of January II, 1891 Harper & Brothers are impling in book form a series of connected papers upon the times and public life

The wonders of meamerism will be ie coming week by Professor T. A.

Blanche Bates will appear at the Marquam Grand theater this week n a series of plays produced by the Frawley company, Dickies and neck bands are very

Eifty Years Ago.
