### HONOR BOYS STILL AFTER FREE FIGHTS

Milwaukie Body Says One Open Season Enough.

Coach Wallis, Who Must Work Ou Almost Entirely New Crew, Says He Is "Up Against It."

BAN FRANCISCO, Jan. 11 .- (Speoial.)-Of the phenomenal eight-oared crew that rowed the University of California into second place at the Poughkeepsie regatta last year, only two men, McMillan and Brown, are back at college this year, Coach ball team defea back at college this year, Coach Wallis must work out practically an entire new crew. Whether this new California crew will row at Pough-keepsie this year depends on whether it can defeat the University of Washington eight at the coast regatta

To use his own words, Wallis is "desperate." I am strictly up against it." said the California coach. "The great crew we had last year is shot to pieces. McMillan, who rowed The Dundee, Or., basketball team defeated the Newberg quintet, 19 to 15, at Dundee, Tuesday night. The first half of the year will be held against the Dundee to try out McMillan at stroke. He should do well at Larson's slide and if this works out I will bring Brown from No. 3 to No. 7. The other possibilities for a stroke oar are Peacock, last year's freshman stroke; Jacobus, who stroked last year's freshman stroke; Jacobus, who stroked last year's second varsity, and LaRue, one of, last year's freshmen who showed promise."

Wallis is distinctly worried, as Washington has several of last year's year's crew on which to build. Coach Lean-der has last year's victorious fresh-

EDMONTON, Alta., Jan. 11.-Baseball men representing clubs all the way from the Pacific coast to Saskatchewan were here today to discuss plans for reorganizing the Western Canada league as an international loop. Bob Brown of Vancouver, B. C., carries with him the proxy of W H. Mr. Klepper explained last night, as he has explained several times pre-viously, that he has no intention of putting a baseball team either into Tacoma or Bellingham, Wash., but that he has agreed to back a team in either of those cities to a limited fi-nancial extent and to provide it with a good many players. His dea is that the team would make an excellent place to send his young ballplayers for development.
