MANAGEMENT UNDER FIRE

Many Charges and Counter-Charges Made Concerning State Institution.

BOARD DESIRES FACTS

These charges and complaints have come to the board as a body and to various individual members. For the sake of the institution, its wards and the people of the state, a full, free and impartial investigation should be made for the purpose of remedying bad conditions, if they exist, and to ascertain fully and truthfully what the conditions really are.

INTERNAL DISSENT AT THE INSTITUTION

Internal dissent at the institution has been reported for several months, and at a recent meeting of the board of control J. F. Myers, superintendent, was confronted with a number of complaints received from inmates. One of the women employees also had complained to the board regarding the conduct of the superintendent, it was brought out at the meeting.

MR. MYERS EXPLAINED TO THE BOARD

Mr. Myers explained to the board that practically all of the trouble given out by inmates, neither caused by two inmates, neither caused by two inmates, neither caused by two inmates.

ALLIED DEBT AND BONUS STAY APART

LINKING ISSUES OPPOSED BY SENATE LEADERS.

BILL ON FOREIGN LOANS IS TO BE TAKEN UP BY FINANCE COMMITTEE ON MONDAY.

WASHINGTON, D. C., Jan. 13.—The soldier bonus bill will not be made a part of the allied debt refunding bill.

THE FOREIGN DEBT BILL, SENATOR MC-CUMBER SAID, WOULD BE TAKEN UP BY THE FINANCE COMMITTEE MONDAY IN THE HOPE OF PUTTING IT IN SHAPE IN TIME FOR REPORTING TO THE SENATE.

IT WAS THE INTENTION, HE ADDED, TO ELIMINATE SOME OF THE FEATURES TO WHICH THE TREASURY DEPARTMENT HAS OBJECTED AND WHICH HAVE RESULTED IN HOLDING THE MEASURE IN COMMITTEE FOR SEVERAL WEEKS. THESE INCLUDE PROVISIONS FOR PAYMENT OF INTEREST AND AN INTEREST RATE OF NOT LESS THAN 5 PER CENT.

PRESIDENT HARDING DOES NOT LOOK WITH FAVOR ON THE SUGGESTION BEFORE SENATE REPUBLICAN LEADERS THAT THE BONUS AND THE ALLIED DEBT REFUNDING BILL SHOULD BE COMBINED. ALTHOUGH THE MERGER PLAN WAS ORIGINALLY RECEIVED FAVORABLY BY A NUMBER OF SENATE LEADERS, THE PRESIDENT WAS SAID TO REGARD IT AS IMPRACTICAL AND HIS VIEW WAS REFLECTED IN THE FURTHER CONFERENCE TODAY BETWEEN SENATE LEADERS.

HE WAS REPRESENTED, HOWEVER, AS NOT HOSTILE TO THE SUGGESTION THAT THE INTEREST OR PRINCIPAL OF THE ALLIED BONDS BE USED FOR PAYING THE BONUS ONCE THEY WERE AVAILABLE AND HE STATED DEFINITELY THAT HE ALSO WOULD NOT OPPOSE A SALES TAX FOR THE PURPOSE OF PAYING THE BONUS, IF CONGRESS SHOULD DECIDE UPON THAT PLAN.

THE PRESIDENT, HOWEVER, WAS SAID TO REGARD AS IMPRACTICAL A SUGGESTION THAT OVER \$40,000,000 IN THE HANDS OF THE ALLEN PROPERTY CUSTODIAN BE USED FOR BONUS PAYMENTS. THESE FUNDS, IT WAS STATED, WERE REGARDED AS PLEDGED TECHNICALLY TO PRIVATE INDIVIDUALS WHOSE PROPERTY WAS TAKEN.

SCHOOL AND SHIPPING BOARDS IN DEADLOCK

U. S. BODY DEMANDS PAY FOR BOILERS GIVEN DIRECTORS.

Local Body Installs Heating System and Holds Up Payment on Account of Defects.

The United States shipping board has met its match in the obdurate school board of district No. 1. Declaring that the district must render payment in full before it receives the last two of six huge boilers recently purchased, it was met with the counter assertion that the shipping board must furnish adequate bases for said boilers before it receives the money. Though there is a deadlock, the advantage seems to rest with the school board. It is in possession of four boilers, purchased at \$37,700 each and costing the government \$18,500 apiece.

According to George B. Thomas, director, who negotiated the original deal, the bases provided with the boilers are shiftable. This was discovered upon the installation of one in Buckman school, where the necessary alterations cost \$400. It is the contention of the school board that the shipping board must either allow \$400 on each boiler for remodeling the bases, or furnish them. The shipping board, through its local officers, maintains that the transaction is closed, that the bases are all right, and that it will not deliver the two remaining boilers until a check in full is in hand.

The boilers originally were built for ships projected by the shipping board, but never constructed. They are said to evaporate water for 25 per cent less cost than any other type, and are of superior construction. One has been installed in Buckman school, two have been delivered to James John high school, and the fourth is at Washington high school. The undelivered boilers, to which the shipping board claims, were to be installed in Jefferson and Benson schools. Belief was expressed that the controversy will be carried to Washington for settlement.

WASHINGTON, D. C., Jan. 13.—The unemployment situation was discussed by President Harding with his cabinet today and decision was reached, it was said, to take steps for alleviating the seasonal difficulties in so far as possible through federal government aid.

The president, it was added, as one measure of relief has requested the heads of several departments to make a survey of their available funds for public works in the expectation that some stimulation may be given the midwinter situation.

MORE TIME GIVEN GERMANY TO PAY

Moratorium Granted Despite Briand Quitting.

GENOA CONFERENCE SAVED

Three Big Developments Emerge From Confusion.

POINCARÉ NEW PREMIER

Anglo-French Pact Is Believed to Hinge on Meeting With Mr. Lloyd George.

LONDON, Jan. 13.—(By the Associated Press.)—Three important developments emerged today from the confusion into which the resignation of Aristide Briand, the French premier, threw the Cannes negotiations. These were, first, that a ministry headed by Raymond Poincaré will take the place of the Briand administration; second, that the Genoa economic conference appears to have been saved out of the wreckage, and third, that the reparations committee, acting under the discretion it possesses by virtue of the Versailles treaty, has granted Germany a moratorium until the allies arrive at a new decision with regard to her condition.

Germany, instead of paying the 500,000,000 gold marks due next Sunday, is to pay every ten days approximately 51,000,000 gold marks, which latter amount is considered as representing 25 per cent of her exports.

ANGLO-FRENCH PACT

Whether the Anglo-French pact arranged between M. Briand and Premier Lloyd George also can be saved is considered to depend upon a conference between Mr. Lloyd George and Poincaré. The latter will have to consult with the Versailles treaty and, as much as France is known to desire a pact to replace the tripartite convention, including the United States, which was contemplated in the original peace negotiations, Poincaré, the latter will have to come with the extreme nationalist views. Doubts are entertained here whether the nationalists will accept the stipulations Mr. Lloyd George imposes as necessary to conclude the pact.

FOR THESE REASONS, IT IS BELIEVED

that difficult negotiations may be needed before an agreement is reached.

ELECTION EFFECTS DISCUSSED

Speculation here still turns on the effect of the elections which are to be contemplated general election. The possibilities of elections in England and France at almost the same time are being discussed, as it is regarded possible that the Poincaré ministry may be short-lived.

Lord Carson in a public speech at Canterbury tonight declared that Mr. Lloyd George, having swallowed up the unionist leaders, wanted to appeal to the country immediately, as he knew the conservative party had no leaders.

POINCARÉ SEEKS CABINET

Completion of Task Not Expected Before Sunday Night.

PARIS, Jan. 13.—(By the Associated Press.)—Raymond Poincaré officially informed President Millerand late this afternoon after a long conference with the president that he accepted the task of forming a cabinet to succeed the Briand ministry.

M. Poincaré said tonight that he did not think that he could complete his cabinet before Sunday night at the earliest.

M. Poincaré added that he had informed David Lloyd George, the British prime minister, that he would be happy to confer with him at the British embassy in Paris tomorrow.

It was while receiving deputations from the principal groups in parliament tonight that M. Poincaré gave out this information.

"As you know," he said, "Mr. Lloyd George very kindly expressed a desire to talk with M. Briand's successor, if he was appointed. I have informed him that I will be happy to confer with him at the British embassy."

"As our conversation will require several hours, thus delaying the efforts I expect to begin tomorrow to obtain the collaborators I need in the new ministry, I do not think the cabinet will be formed before Sunday night at the earliest."

"Parliament having decided to meet next Thursday, I must be able before appearing there to familiarize myself with current discussions between the"
