NIMRODS GET FEW BIRDS ON LAST DAY'S HUNT.

Cold. Clear Weather Freezes Lake and Causes Targets to Fly Out of Range.

The duck hunting season closed esterday in district No. I, which in- from sporting goods.

of the smaller lakes were frozen, however, and there was little chance of feeding the birds. The same hap-pened on Deer island. At Wapato Inko at Gaston, where shooting has been exceptionally good all fall, many birds were killed, al-though only few hunters got more than a dozen. Although shooting, as a whole, has been poor in the Port-band takes all year until the cold a while has been poor in the cold snap came at Gaston, ducks were more plentiful than ever. The heavy rains that flooded the lakes at Linn-ton and Portland, were just what Wapato lake needed to fill it.

The lakes at Swan island drew sev-eral nimrods, but few got even a half a bag full. Most of them re-turned before the day was over because the birds were so scarce. Several Portlanders who returned last night from a hunting trip through the southern part of the state, said that duck shooting was
