DRINK HOT TEA FOR A BAD COLD Get a small package of Hamburgs from the nearest drug store. Take a tablespoonful of this Hamburg tea, put a cup of boiling water upon it, pour through a sieve and drink a teaspoonful at any time. It is the most effective way to break a cold and cure grip, as it opens the pores, relieving congestion. It also loosens the bowels, thus breaking a cold at once. It is inexpensive and entirely vegetable, therefore harmless.—Adv
