#### SPORT OVERWORKED SAYS HARVARD CHIEF

IMPORTANCE OF FOOTBALL IS HELD OVERESTIMATED.

Necessity of Great Public Spectacle Every Saturday in Fall Doubted by Dr. Lowell.

CAMBRIDGE, Mass., Jan. 18.-Public interest in football has tended o give excessive importance to college athletic contests, A. Lawrence CROOK Lowell, president of Harvard university, said in his annual report made public today. He said the question was one that concerned all American colleges and that "It would be well to consider afresh the proper place of intercollegiate athletic contests in the cheme of education."

"The public interest in the sport has secome general and has increased markedly." he said. "It has tended to give excessive importance to col- EXTENSION TO BE FOUGHT

ge athletic contests. "Intercollegiate matches have a distinct value in stimulating sports which are the best form of physical exercise in youth; but the single boat Service Men Determine That Bitter race between Oxford and Cambridge on the Thames, and the cricket match between these universities have been enough to stimulate unflagging in terest in those sports among students. One may ask whether or not the same plan would be sufficient in

football. "The necessity for maintaining for this purpose a public spectacle at- been so intensly interesting to diplotended by thousands of spectators mats during the past few years.
