Kinograms and a Two-Reel Playlet, "Ned of the News."

SENATE'S DECENCY IS GONE, SAYS REED

SENATORSHIP HELD SOLD

Epitaph Declared Written on Decency in Chamber; New Word of Reprobation Suggested.

WASHINGTON, D. C., Jan. 27.-The senate was told today by Senator Reed, democrat, alissours, that "never in all the history of legislative bodies in the world had so shameless a reso-lution been adopted as that of the senate in confirming Senator New-berry, republican, Michigan, in his

There is not a man who voted for There is not a man who voted for inis resolution." Senator Reed said, "who did not brand in red letters above and over his political record the word 'dishonor.' No word of tongue and no word of pen can describe the degradation of that resolution and the self-confessed degradation of those who supported it."

"The tongue is paralyzed in an effort to describe a thing like that, if he was wrong, shy did you not wipe out the effect of the wrong and not adopt it?" Senator Reed continued.

"You say: This thing that crawls and has a forked tongue is a poisoned serpent. Therefore, we will admit it to the family direle and allow it to wind its folds about the arms of it to wind its folds about the arms of

our children.'
"You say: 'This is a dog with the rables. Every time he sinks his fangs into the fiesh they carry with them deadly disease and therefore we will turn the dog loose on the commu-

"You say: This is a thing black with infamy. Therefore, we will spread it as a mantle over the senate

"You say: "This is a deadly leprosy that, introduced into the body politic, will destroy the virtue of the nation. Thorefore, we will introduce its victim in the senate and bring the dis-

plant presented the diplomas. Musical programmes, with the or-chestras, glee clubs and music studies of the schools taking part, feadiplomas and the award of scholar-ships and honors for meritorious

work.

Higher education appeals in more or less degree to a great majority of the graduates, and from 100 per cent at Jefferson high down to 50 per cent or more in some of the other schools, the graduates have signified their intention of entering college by next September at latest. The University of Oregon is the choice of probably the greatest humber, while Oregon Agricultural college ranks second in drawing power. Large numbers have signified their intention of attending Monmouth normal and other colleges throughout the state. A small number will go outside Oregon for further training. side Oregon for further training. Boys Work Way.

Forty out of 41 boys graduating in the Jefferson high school class of 113, the largest of the six mid-year the largest of the six mid-year classes graduating last night, have worked during their four years in high school, according to figures supplied by Hopkin Jenkins, principal. Their gross earnings for the four years have amounted to \$44.752. Thirty-nine of the 72 girls of the class have earned a total of \$12.899 during their time in high school. Each member of the class has signified intention of going through college.

ege. Out of Franklin high's 42 mid-year graduates, at have decided to enter college, five are undecided and six said that they are not preparing to enter college, according to S. F. Ball, principal. The majority of the Frank-

dission is doing a great more in seeking their education than since his election, excellent enter-tainment will be furnished, according to those of any other school. Ten collainment will be furnished, according to those and universities, five of which are outside the state, are listed among of the entertainment committee. those to which students are going.

Good Grades Attalned. Grades at Washington have been the best in several years and 20 of the graduating class were honor students with all grades from 80 to 90

per cent or higher.

Bert E. Haney, formerly United States attorney, delivered the class address at Washington, Mr. Haney emphasized citizenship and the obligation of the high school graduate to society. The public looks to the high

schools for the highest type of citizen, he declared. Hugh J. Boyd, principal, awarded the degrees to the class.

Benson polytechnic graduated 42 boys, the largest class in the history of the school. Paul Walker, a graduate from the technical course, won the Benson scholarship award of \$150. Walker expects to enter Oregon Agricultural college in September to enroll in an electrical engineering course. The money will go toward his expenses in his freshman year. The scholarship comes from a \$10,000 scholarship and loan fund given by S. Benson. Richard fund given by S. Benson. Richard W. Montague, prominent attorney, presented the scholarship award.

presented a scholarship fund class gift of more than \$100 and a picture of Lincoln as a class memorial. Four members of the class were named as honor students. They were Sara Abbott, Dorothy Counter, Lena Clump and Oscar McKinney. W. T. Fletcher, principal of the school, awarded the

warning on useless and idle expres-sions of speech, and pleaded for the superiority of personality over cir-cumstances and for self-victory over temperament.

Success In Defined. "In the years to come the citizens of this community will watch your career and hope for the highest success," said Dr. Griffis in his closing statement to the class. "Only be not deceived as to what constitutes real success. Tonight we are not withing for you money or never or a soft for you money or power or a soft snap. You were not trained for these ends. Our wish tonight is that you may be honest, reliable, useful and unselfish." Lincoln high school's class of 66

Lincoin high school's class of 66 included 16 honor pupils. A bronze tablet with Lincoin's gold star soldiers' names was presented to the school as a class gift. Dr. Hareld Leonard Bowman, paster of First Presbyterian church, addressed the class. He spoke of the eagerness for service confronting them.

C. A. Rico, assistant city superintendent of schools, presented the diglomas to the graduates.

Farmer's Wife Tells How Lydia E. Pinkham's Vegetable Compound Made Her a Well Woman

Carter's Creek, Tenn. — "Three years ago I was almost an invalid. I spent half of my time in bed, being afflicted with a trouble which women of a certain

age are apt to have. I took Lydia E. Pinkham's Vegetable Compound Tablets and used Lydia E. Pinkham's Sanative Wash. I am a and have been for two years. I can work as well as any one who is younger and as I am a farmer's wife I have plenty to do for I cultivate my own garden, raise many chickens

and do my own housework. You may publish this letter as I am ready to publish this letter as I am ready to do anything to help women as I have been so well and happy since my troubles are past."—Mrs. E. T.Gal-Loway, Carter's Creek, Tenn. Most women find plenty to do. If they are upset with some female all-ment and troubled with such symp-toms as Mrs. Galloway had, the smallest duty seems a mountain.

smallest duty seems a mountain.

If you find it hard to keep up, if you are nervous and irritable, without ambition and out of sorts generally, give the Vegetable Compound a trial.
