FOR SALE—AUTOMOBILES.

YES,
BUSINESS IS GOOD!

THE REASON:

We have dropped the price of our USED FORDS so low that some of our competitors are buying them for resale. Just think of that! And they expect to make a real profit. Why not get that profit yourself?

We have actually reduced the price of every car in our large stock 20 per cent or more, in order to move them quickly and convert into cash.

50—USED FORDS—50.

Including all types and models, at an average price of $239.
