ROADWAY CLEARING TO CONTINUE.
 Work of clearing the Columbia river highway of the mass of snow and ice which has blocked traffic since December, will be continued during the next week or ten days, it was decided yesterday by the county commissioners. The present force of 100 laborers will be employed until the highway is open to two-way traffic. Roadmaster Eatchel reported to the board that the highway is now open to one-way traffic, but because of the present favorable weather conditions, it was agreed that the work should be continued. If the weather remains as at present it is believed that the snow and ice blockade will be surmounted within a week.

BANK EMPLOYEES GET FOUR YEARS.
 Merita T. Parks, ex-collection teller of the Peoples bank, later consolidated with the State bank, was sentenced to four years in the penitentiary yesterday by Circuit Judge Morrow. Parks was convicted last week of the embezzlement of about \$700 from the bank. In spite of a recommendation for leniency, made by the convicting jury, and of a personal appeal for parole, as made in court by officials of the bank, Judge Morrow declined to grant a parole to the erring bank employee. The court said no circumstances had been brought to light which would warrant him in giving Parks his liberty.

RIVER TO BE PATROLLED.—Violators of the commercial fishing law will find this season their operations hazardous. This will be due to the fact that Carl D. Shoemaker, head of the state fish commission, and A. E. Burghdoff, state game warden, have decided to patrol the Willamette river during the fishing season. Both fish and game commission boats will be used and the two departments will co-operate in every way possible, according to Mr. Shoemaker. The large river searchlight which netted good results last year will be put in commission again this season.

SELLWOOD TO HAVE CHORUS UNIT.
 A Sellwood unit of the Whitney Boys' chorus will be organized in the Sellwood community house, East Fifteenth street and Spokane avenue, next Thursday night. Parents who have boys they would like to have in the chorus are invited to attend this meeting. An athletic concert will be given from 7 to 8, and a rehearsal of singers from 8 to 9 o'clock. Professor Whitney will be present at the initial meeting, but after organization the Sellwood chorus will be directed by W. Z. Hight.

 When Marion Lindquist refused to get up from a sick bed and go to work, her husband, Edward J. Lindquist, threatened to throw her into the Columbia slough, complains the wife in a suit for divorce filed at the courthouse yesterday. Other charges of cruelty are recited by the plaintiff. They were married four years ago. Other divorce suits filed are: Lydia J. Farlow versus John E. Farlow; cruelty; Olive Marritt versus John E. Marritt, cruelty.

PARADE TO BE DISCUSSED.—A meeting of the Woodstock Pep club has been arranged for next Monday night at 8 o'clock at the community church hall, Forty-fourth street and Woodstock avenue, for the purpose of discussing the parade and playgrounds. Bennis, Jr. and George Natanson.

HOUSE WARMING IS FRIDAY.—The two Epworth league organizations of Centenary Wilbur Methodist Episcopal church, East Ninth and Twentieth streets, which have undertaken to fit up the recently remodeled community house, adjoining the church, have arranged for a "house-warming" in the community house at 8 o'clock next Friday night. All members and friends of the church are invited. Tonight a free recital will be given by the "Willing Workers" class at 8 o'clock.

BAR ASSOCIATION TO ELECT.—The annual election of officers of the Multnomah County Bar association will be held tonight at 8:30 o'clock in the courtroom of Circuit Judge Evans, on the second floor of the courthouse. The association also will take up the question of more judges for the Multnomah circuit court.

SOUDETH ESTATE VALUED AT \$40,000.
 An estate valued at \$40,000 was left by the late W. L. Soudeh, who died February 19, last. This estimate is made in a probate petition filed yesterday. The entire estate is left to the widow and two children. The widow is named as administratrix, to serve without bonds.

ST. FRANCIS CHOR TO SING.—Members of the choir of St. Francis church, East Twelfth and Pine streets, will give a half-hour of grand opera in the parish hall this evening, under the direction of Mrs. Catherine Covach Frederick. The musical programme will be followed by a social evening.

CATHOLIC SOCIETY TO EXPAND.—Members of the Holy Name society, now in active operation in four of the Catholic parishes of East Portland, have arranged for a meeting on Tuesday night, March 7, at Holy Cross church, Bowdoin and Stanford streets, to plan a campaign to further the activities of the society in other parishes of the city. A committee to work out this plan is composed of members from each of the four parishes where the work is now established. They are: Church of the Assumption, Messrs. Starkey and Nibler; Holy Cross, Messrs. Foreman and Aveline; Blessed Sacrament, Messrs. Thomas and Perry; Church of the Redeemer, Messrs. Tourney and Marcotte. The members of the society in these four parishes are united in what is termed the "Big four," and hold joint monthly gatherings. The next "big four" meeting will be March 16, when members from Assumption parish will be in charge of the entertainment features.

CLUB CAMPAIGN HELD.—Residents of the St. Johns district are interested in a campaign now on to increase the membership of the St. Johns Community club to the 1000 mark. The campaign, started a little more than a week ago, has resulted in adding about 300 members to the club. Lieutenant R. L. Crane, of the St. Johns police station, has been chosen as chairman of the campaign committee, and in his organization he has named a committee of women to assist him. They include: Mesdames G. Lennon, W. J. Chaney, R. Smith, Bessie Post, T. C. Waite, M. R. Morrow, Ed. Monahan, Caroline Lind, Clara Nelson, Walter Ormandy, J. P. Gilmore, E. McClean, Charles Much, Myrtle Weeks, J. D. FOUNDER SERVICE METHODS DISCUSSED.
 The work of the United States Forest service and its methods of fire prevention were discussed by Albert Wiesendanger, forest ranger, in an address before students of General James John high school yesterday. The lecture was given six times during the day, with a class of 80 students in attendance at each period. The lecture will be repeated on the following dates at the schools designated: March 1, Woodstock; March 2, Alsworth; March 3, Shaver and Thompson; March 4, St. Johns; March 5, Felling; and March 20, Jefferson high school. The purpose of the lecture is to secure co-operation of students who use national forests each summer in aiding fire prevention.

ATTORNEYS FAVOR ASSOCIATION.—More than 40 city attorneys of cities in Oregon have written to Frank S. Grant, city attorney of Portland, favoring the organization of an association for city attorneys. Mr. Grant stated yesterday that an organization meeting probably would be called in June, and if agreeable to the majority of city attorneys this meeting will be held in Portland. The main purpose of the organization is to promote uniformity of laws and for the discussion of the problems that confront the city attorneys in their work.

POSITION OFFERED MRS. BRADEN.
 Mrs. Winnie Braden, manager of the Oregon state exhibit, has been requested by the regents of Washington state college to accept the position of extension specialist in preparing demonstration exhibits. The work would require a period of three months. "I have not been notified officially of the appointment," Mrs. Braden said yesterday afternoon. "I will not accept unless I am allowed a leave of absence as I have no present position permanently."

RUNAWAY BOYS CAUGHT.—Francis Rummell, 15 years old, and Bert Walley, 16, who ran away from home last Wednesday, and for whose detention Rummell's father offered a reward of \$50 on Saturday, were reported found yesterday in Salem.  Charles Wesley Purdin, convicted of manslaughter Saturday for slaying his divorced wife, Agnes Purdin, will be sentenced tomorrow afternoon by Circuit Judge Stapleton, before whom the case was tried. SUCCESS PROMISED BY GROUP CAMPAIGN

Chest Workers Believe That Full Sum Will Be Obtained.

FAILURE MEANS HUNGER

General Smith and Others Declare That Drive Will Be Carried on With Renewed Energy.

Portland will face widespread unrelieved distress and many cases of actual starvation among its residents next winter if the community chest budget is not filled. The new plan of filling the chest quota by a careful canvass of 103 industrial and professional groups gives promise of a successful completion of the campaign with the restored sum of \$798,777 at hand.

These were the outstanding opinions expressed by chest leaders and representatives of a number of business and professional groups at an important meeting yesterday afternoon at the Chamber of Commerce. At a result of this session, General Robert E. Smith and other chest officials declared that they would carry on the final stages of the drive with renewed optimism and firm confidence in eventual success.

Apathy and Illness Blamed.
 General Smith, after calling the meeting to order, told of the unusual demands on the chest and the failure to get the full budget to date. He stated that principal causes of this failure were general apathy of the public, illness of chest workers and potential subscribers, and the fact that solicitors had to cover too much territory, which resulted in hurried canvassing and small subscriptions. "The doctors of Portland have gone to work on a canvass of their profession, and 102 other groups remain to be reached," said General Smith. "The group canvass seems the only way to complete the budget."

"I believe the failure to get the budget is due to missing so many givers in the first canvass, but there has also been a great deal of side-stepping and shirking," said Franklin T. Griffith, president of the community chest.

The new plan of group canvass seems to assure success. There is more distress in Portland now than a year ago. If the chest quota is not raised there will be unrelieved distress here next winter. People are hungry, and we will have actual starvation, Portland should not be disgraced by failure to raise enough money for these actual needs.

Full Chest Required.
 J. C. Atneworth, chairman of the budget committee, told of the needs of the chest and declared that the chest charities must have 100 per cent of their allocations.

Dow V. Walker, assistant-general of the campaign, explained the group plan and presented statistics showing gaps in the ranks of potential givers and the need of further coming of the city.

Indorsement of the group campaign and pledges of support were made by representatives of about a dozen business and professional groups. Among these were the following statements:

Occupations Favor Plan.
 Fred E. Taylor, for real estate dealers—A live committee from the realty board will be able to accomplish more in securing subscriptions from realtors than any other agency.

M. E. Crumpacker, attorney—I am sure the lawyers of the city will be thoroughly in accord with the general plan of occupational canvass, and I believe they will work hard for it.

Surge Leonard, attorney—I am surprised that more lawyers did not subscribe. The legal profession is a good one.

LOOP ROAD AID DELAYED

ROADMASTER REPORTS FUND NOW SHORT OF CASH

Transfer of \$85,000 for Construction of Hood Highway Held Up by Commissioners.

Definite action on the proposal to give \$85,000 toward the construction of the Mount Hood loop road was delayed yesterday by the county commissioners after Roadmaster Eatchel had submitted a financial statement showing that the road fund is extremely short of cash at the present time.

The fund is now but \$200,000 in the road fund, of which \$205,000 has been set aside for market roads. If the Mount Hood loop is designated as a market road, it is possible that the commissioners will transfer the \$85,000 from this fund. The commission decided to get a ruling on this question before taking further steps in carrying out the agreement with the state highway commission. Even though it is determined that the Mount Hood loop is a market road, there is no certainty that the commissioners will give financial aid to the project, in view of the fact that the tax appropriation commission eliminated this item from the annual budget.

The new plan of group canvass seems to assure success. There is more distress in Portland now than a year ago. If the chest quota is not raised there will be unrelieved distress here next winter. People are hungry, and we will have actual starvation, Portland should not be disgraced by failure to raise enough money for these actual needs.
