

JEFFS BEAT LINCOLN IN APPROACH TITLE

2 RALLIES SPECTACULAR

Twice Jefferson Five Comes From Behind and Takes Lead Away From Ralliplitters.

Jefferson high school virtually made certain of the championship of the Portland Public School Basketball league yesterday by defeating Lincoln high 26 to 22 in the Washington high school gym.

In two spectacular rallies, one at the end of each half, Jefferson came up from behind and took the lead. In the second half Lincoln led 19 to 15 with six minutes to play, only to be tied by the democrats and finally overcome.

Lincoln started the scoring in the first two minutes on a basket by Chiles, who also shot the second one, Flynn connected with a third basket for Lincoln before Jefferson scored. Jefferson's first two points came from converted fouls by Broughton.

Lincoln Dazzles Jeffs. At this stage of the game the ralliplitters were in the lead. Jefferson, whose players seemed dazed by Lincoln's speed and accuracy in shooting, was unable to score a field basket until 19 minutes of the first half had been played.

Jefferson opened the second half with a rush in which they scored four baskets, while Jefferson made only a single point—that a converted foul by Broughton. Two baskets were made by Flynn and one each by the Faust brothers, giving Lincoln a 19 to 15 lead.

Game Seved Up. With only two minutes to play, baskets by Hutchinson and Anderson sewed up the game for Jefferson. The combat was by far the best played this year on the Washington high school floor, and drew the largest crowd.

Several special street cars brought the students of the two schools direct to the Washington high gym. Jefferson had 60 shots at the basket and Lincoln 58.

Jefferson, with five wins and no defeats, winds up its schedule March 3 against Washington high, which is next to the raffles or draw only a Benson March 7.

The best Lincoln could do now would be to tie Jefferson and up to yesterday's game the two schools were tied with four wins and no defeats each.

Franklin and Commerce play in the Washington gym at 2:15 o'clock today. Yesterday's lineup: Jefferson (20) Lincoln (22) Anderson (20) (3) Clites Clark (10) (4) Faust

SATURDAY SHOW ASSURED COMMISSION TO GO AHEAD WITH ARMORY PLANS. Morgan Jones of Tacoma to Be Imported to Go Against Gorman. Burns Is Ill.

The Portland boxing commission decided yesterday to go ahead with its projected Saturday night show, in place of Rought House Burns, who is down with a bad cold.

At first it was the intention to use home talent exclusively on the card, which was an expert, ment as nobody knows yet whether a Saturday night show will pack the armory to the rafters or draw only a couple of platoons.

Mr. Robert Edgren, Famous New York Sports Critic. VERY now and then I get a very interesting letter from some old-timer whose sporting experience goes back a little farther than mine.

Mr. Robert Edgren, Dear Sir: In an account of the Yankee Sullivan-Morrisey fight written by you, if I remember rightly, was the statement that undoubtedly there was some old-timer living who had witnessed the famous fight.

A few days ago I was in Boston Corner, and visited the grounds where that historical event was held. The land where the men fought is owned by J. T. Lee, who lives in a house within a short distance of the old brick kiln pit where the old-timers slugged each other for half a day for sum of money that wouldn't pay the board bill of a good rubber for a month.

Mr. Lee lives in a house that was standing there at the time and that was owned by the father of Milton Vosburg of Millerton, N. Y. Now Mr. Vosburg saw the fight and has a very interesting story to tell. They say that Yankee Sullivan was arrested and tried in Lenox, Mass., as the old county court held sessions there for Berkshire county, Massachusetts.

"Theodora" was filmed in Italy. It is of interest for its artistic presentation and for the hectic story, which unfolds in the most dramatic manner of famous plays and operas.

Gold was the only metal that interested Neolithic people. For many years, near Park row in New York city, a small little shop has been kept by a descendant of Daniel Mendoza, a Spanish-English Jew of London, born in 1764, and for many years the cleverest bare-knuckle boxer England turned out in the old days.
