other matters, Pat Harrison of different." MisSissippl comes nearer being the spokesman of what may be called the militant democratic thought in LINDSAY CREDITORS SUE

the senate than Underwood There is no definite anti-treaty among the democratic senators. They are merely in a state of trying to

make up their minds as to what to do. You talk with one of them on Monday and he expresses a half-hearted talk with the same man on Saturday and find he has begun to wonder whether the country may not change its attitude and is going to wait until debate is over before taking a definite position.

This thing that may be called the sentiment of the country is what will really determine the question. If the country stays where it is now believed to be, namely, in favor of making the Washington conference a clean job by ratifying all of 'ts re suits, then the considerable body of JUGO-SLAVIA PROTESTS democrats who have the balance of power, will vote that way.

Public Opinion to Rule.

But if the country shows signs of being disturbed and if the suspicions and doubts expressed in the oppositreaty will fall.

If the country continues to be so government. overwhelmingly favorable to the The allied cabinets are being ad-treaty that it would be disposed to vised that this step is being taken,

Who Carry Small Quantities. CLEVELAND, O., March 6 .- Police Judge Sawicki today refused to fine any of the score of men who were

arraigned before him, arrested over the week-end when found carrying pints or half pints of whicky in their

degree influenced by the fact that Underwood is for the treaty. If Harding thought he was insuring demonstic support by making the Sawicki said. "It's not against the democratic support by making the law, and I can't see where an officer of the participants in the conference gets the right to search them. Where a person is known to have a gallon or more, it may be proper to arrest

him. But when it's so small it can On the treaty as well as on some be carried in the back pocket-that's
