

Spring Modes Find Fullest Expression in This Store!

Peggy Paige WEEK

MARCH 18 to 25

MARCH 18 to 25

Disclosing the Authentic New Mode

WITH every department rich in articles of timely interest, with the entire store "all dressed up" for Spring, today will usher in a series of style occasions which will disclose all that Fashion decrees, all that the smart girl accepts for this season.

This occasion centers in the Dress Salon. Here we have surpassed ourselves, for this is the only store in Portland privileged to feature the delightful dresses fashioned by Peggy Paige.

New Spring Colors and Fabrics

—APRICOT, henna, gray, pumpkin and cafe, the provocative colors of a riotous spring—you will find them in all dresses fashioned by Peggy Paige.

The new fabrics—softest cashmere, which the French like to call Kasha cloth; that charming crepe that is like a heavy marquisette; laces, soft as a butterfly's wing or heavy as a net to catch minnows

—all these and more beguile you in these exquisite creations of Peggy Paige.

—Cape Dresses with a decided military air, others braided in lovers' knots, still others quaint as the smoked frocks of English fashion for children. Hardly a whim, a fancy has passed them by.

—Before you buy—always look inside the dress for the Peggy Paige label—your guarantee of all that Peggy Paige stands for. And these charming frocks, are unbelievably moderate in price.

You Must Witness Peggy Paige Week

—If you are young, if you would look young, you cannot afford to miss this notable exhibit of youthful fashions during Peggy Paige Week. Consider this a personal invitation to be present and bring your friends with you.

—Buoyant—spirited—chic—indefinably smart—Peggy Paige Dresses embody these features to a remarkable degree.
