Three Special Radio Programmes Today
12:15-12:45; 4-4:45 and 7:30-9 P. M.

In addition to the regular programmes during store hours, we will give also (weather permitting) a radio programme this evening, from 7:30 to 9 o'clock, consisting of latest news bulletins, music and U. S. health talks. For this we shall use a new and powerful "magna vox" from the Third Floor, Sixth-Street side (near Alder), of the store, which will reproduce into the street and should be audible for nearly a block. Make it a point to hear this novelty downtown tonight.
