Just a wee "snack" for Sunday night

WHEN friends drop in o' Sunday nights — when he looks meditatively at his watch and remarks, "Slong time since dinner"—TILLAMOOK RAREBIT! Just the thing! And so-o-o good! You can't imagine till you've made it with this new recipe.

Tillamook rarebit

Prepared especially by
The Boston Cooking School

1 tablespoonful butter	1/2 teaspoonful mustard
1/2 pound Tillamook cheese, cut in small pieces	1/2 teaspoonful paprika
1/2 cup milk	1 egg

Put butter in the upper part of a double boiler when melted add cheese and seasonings. When cheese is melted, add milk slowly, stirring constantly. Beat the egg, add to it a little of the hot mixture, stir until well blended, then add to the contents of the double boiler. Stir until smooth (about three minutes.)
Caution—be sure to get genuine Tillamook Cheese.

Tillamook is the original trade-marked cheese. Every single pound of cheese made in the famous Tillamook valley has the name imprinted upon the rind. If it's not there, it's not Tillamook.

COAST OYSTERS ARE SAFE

Willapa Bay Not Affected by Measure Before Congress.

SOUTH BEND, Wash., March 24.—(Special.)—Willapa bay oyster growers are noting with keen interest the fight being made before congress by eastern producers of the marine bivalves to have bills passed protecting shellfish against pollution.

United States Senator Frelinghuysen recently wrote a letter to W. H. Killian, president of the Oyster Growers' and Dealers' association of North America, stating that the constitution does not permit of the passage of a law that would regulate oil waste and other pollution insofar as the oyster industry is affected.

Whether or not the shellfish industry of the east is successful before

congress, growers here are not affected, as the oyster beds of Willapa bay are so situated that they can never be polluted. The waters are too shallow to admit large boats and there are no large manufacturing plants or populous communities on the secluded shores.

Don't Starve the Teeth

Food that must be chewed is the best food because it insures complete digestion and develops sound teeth and healthy gums. The longer you chew

Shredded Wheat

the more nutriment you will get out of it and the more delicious it will taste. Contains all the lime-salts for making sound teeth. Sixty-five per cent of all school children have defective teeth—that means low vitality and poorly nourished bodies.

Two Biscuits with milk or cream make a complete nourishing meal. Delicious with peaches, berries, raisins, prunes, sliced bananas and other fruits. TRISCUIT is the Shredded Wheat cracker—a real whole wheat toast—eaten with butter or soft cheese.

GIVE THEM BAKER'S COCOA TO DRINK

The almost unceasing activity with which children work off their surplus energy makes good and nutritious food a continual necessity. Of all the food drinks Baker's Cocoa is the most perfect, supplying as it does much valuable material for the upbuilding of their growing bodies. Just as good for older people. It is delicious, too, of fine flavor and aroma.
